(1) **IN GENERAL.**—In carrying out the program under section 4 (referred to in this section as the “commodity supplemental food program”), for each of fiscal years 2008 through 2023, the Secretary shall provide to each State agency from funds made available to carry out that section (including any such funds remaining available from the preceding fiscal year), a grant per assigned caseload slot for administrative costs incurred by the State agency and local agencies in the State in operating the commodity supplemental food program.

(2) **AMOUNT OF GRANTS.**—

(A) **FISCAL YEAR 2003.**—For fiscal year 2003, the amount of each grant per assigned caseload slot shall be equal to the amount of the grant per assigned caseload slot for administrative costs in 2001, adjusted by the percentage change between—

(ii) the value of that index for the 12-month period ending June 30, 2002.

(B) **SUBSEQUENT FISCAL YEARS.**—For each of fiscal years 2004 through 2023, the amount of each grant per assigned caseload slot shall be equal to the amount of the grant per assigned caseload slot for the preceding fiscal year, adjusted by the percentage change between—

(i) the value of the State and local government price index, as published by the Bureau of Economic Analysis of the Department of Commerce, for the 12-month period ending June 30 of the second preceding fiscal year; and

(ii) the value of that index for the 12-month period ending June 30 of the preceding fiscal year.

(b) During the first three months of any commodity supplemental food program, or until such program reaches its projected

(j)(1) If the Secretary must pay a significantly higher than expected price for one or more types of commodities purchased under the commodity supplemental food program, the Secretary shall promptly determine whether the price is likely to cause the number of persons that can be served in the program in a fiscal year to decline.

(2) If the Secretary determines that such a decline would occur, the Secretary shall promptly notify the State agencies charged with operating the program of the decline and shall ensure that a State agency notify all local agencies operating the program in the State of the decline.
