TITLE I—DAIRY

SHORT TITLE

SEC. 101. [7 U.S.C. 1421 note] This title may be cited as the “Dairy Production Stabilization Act of 1983”.

Subtitle A—Dairy Stabilization Program

DAIRY PRODUCTION STABILIZATION

SEC. 102. [Amends the Agricultural Act of 1949.]

AVOIDANCE OF ADVERSE IMPACT OF DAIRY DIVERSION PROGRAM ON
BEEF AND PORK PRODUCERS

SEC. 103. [7 U.S.C. 1446 note] In order to minimize the adverse impact of the dairy diversion program on beef and pork producers in the United States during the period the diversion program is in effect—

(1) the Secretary of Agriculture shall, to the maximum extent practicable, use funds available for the purposes of clause (2) of section 32 of Public Law No. 320, 74th Congress (7 U.S.C. 612c) and other funds available to the Secretary under the commodity distribution and other nutrition programs of the Department of Agriculture to increase the use of beef and pork for such purposes;

(2) the Secretary of Defense and other Federal and State agencies are encouraged to use increased quantities of beef and pork to meet the food needs of the programs which they administer; and

(3) the Secretary of Agriculture shall take appropriate action to encourage the consumption of beef and pork by members of the public.

Subtitle B—Dairy Promotion Program

FINDINGS AND DECLARATION OF POLICY

SEC. 110. [7 U.S.C. 4501] (a) Congress finds that—

(1) dairy products are basic foods that are a valuable part of the human diet;

(2) the production of dairy products plays a significant role in the Nation's economy, the milk from which dairy products are manufactured is produced by thousands of milk producers, and dairy products are consumed by millions of people throughout the United States;

(3) dairy products must be readily available and marketed efficiently to ensure that the people of the United States receive adequate nourishment;

(4) the maintenance and expansion of existing markets for dairy products are vital to the welfare of milk producers and those concerned with marketing, using, and producing dairy products, as well as to the general economy of the Nation; and

(5) dairy products move in interstate and foreign commerce, and dairy products that do not move in such channels

of commerce directly burden or affect interstate commerce of dairy products.

(b) It, therefore, is declared to be the policy of Congress that it is in the public interest to authorize the establishment, through the exercise of the powers provided herein, of an orderly procedure for financing (through assessments on all milk produced in the United States for commercial use and on imported dairy products) and carrying out a coordinated program of promotion designed to strengthen the dairy industry's position in the marketplace and to maintain and expand domestic and foreign markets and uses for fluid milk and dairy products. Nothing in this subtitle may be construed to provide for the control of production or otherwise limit the right of individual milk producers to produce milk or the right of any person to import dairy products.

(a) The order shall provide for the establishment and administration of appropriate plans or projects for advertisement and promotion of the sale and consumption of dairy products, for research projects related thereto, for nutrition education projects, and for the disbursement of necessary funds for such purposes. Any such plan or project shall be directed toward the sale and marketing or use of dairy products to the end that the marketing and use of dairy products may be encouraged, expanded, improved, or made more acceptable. No such advertising or sales promotion program shall make use of unfair or deceptive acts or practices with respect to the quality, value, or use of any competing product.

(b) **NATIONAL DAIRY PROMOTION AND RESEARCH BOARD.**—

(1) The order shall provide for the establishment and appointment by the Secretary of a National Dairy Promotion and Research Board that shall consist of not less than thirty-six members.

(2) Except as provided in paragraph (6), the members of the Board shall be milk producers appointed by the Secretary from nominations submitted by eligible organizations certified

under section 114 of this subtitle, or, if the Secretary determines that a substantial number of milk producers are not members of, or their interests are not represented by, any such eligible organization, then from nominations made by such milk producers in the manner authorized by the Secretary.

(3) In making such appointments, the Secretary shall take into account, to the extent practicable, the geographical distribution of milk production volume throughout the United States.

(4) In determining geographic representation, whole States shall be considered as a unit.

(5) A region may be represented by more than one director and a region may be made up of more than one State.

(6) IMPORTERS.—

(A) INITIAL REPRESENTATION.—In making initial appointments to the Board of importer representatives, the Secretary shall appoint 2 members who represent importers of dairy products and are subject to assessments under the order.

(B) SUBSEQUENT REPRESENTATION.—At least once every 3 years after the initial appointment of importer representatives under subparagraph (A), the Secretary shall review the average volume of domestic production of dairy products compared to the average volume of imports of dairy products into the United States during the previous 3 years and, on the basis of that review, shall reapportion importer representation on the Board to reflect the proportional share of the United States market by domestic production and imported dairy products.

(C) ADDITIONAL MEMBERS; NOMINATIONS.—The members appointed under this paragraph—

(i) shall be in addition to the total number of members appointed under paragraph (2); and

(ii) shall be appointed from nominations submitted by importers under such procedures as the Secretary determines to be appropriate.

(d) The order shall provide that the Board shall develop and submit to the Secretary for approval any promotion, research, or nutrition education plan or project and that any such plan or project must be approved by the Secretary before becoming effective.

(e) BUDGETS.—

(1) PREPARATION AND SUBMISSION.—The order shall require the Board to submit to the Secretary for approval budgets on a fiscal period basis of its anticipated expenses and disbursements in the administration of the order, including projected costs of dairy products promotion and research projects.

(2) FOREIGN MARKET EFFORTS.—The order shall authorize the Board to expend in the maintenance and expansion of foreign markets an amount not to exceed the amount collected from United States producers for a fiscal year. Of those funds, for each of the 2002 through 2023 fiscal years, the Board's budget may provide for the expenditure of revenues available to the Board to develop international markets for, and to promote within such markets, the consumption of dairy products produced or manufactured in the United States.

(f) The order shall provide that the Board, with the approval of the Secretary, may enter into agreements for the development, and conduct of the activities authorized under the order as specified in subsection (a) and for the payment of the cost thereof with funds collected through assessments under the order. (A) IN GENERAL.—The rate of assessment for milk produced in the United States prescribed by the order shall be 15 cents per hundredweight of milk for commercial use or the equivalent thereof, as determined by the Secretary.

(B) IMPORTED DAIRY PRODUCTS.—The rate of assessment for imported dairy products prescribed by the order shall be 7.5 cents per hundredweight of milk for commercial use or the equivalent thereof, as determined by the Secretary.

(4) A milk producer or the producer's cooperative who can establish that the producer is participating in active, ongoing qualified State or regional dairy product promotion or nutrition education programs intended to increase consumption of milk and dairy products generally shall receive credit in determining the assessment due from such producer for contributions to such programs of up to 10 cents per hundredweight of milk marketed or, for the period ending six months after the date of enactment of this Act, up to the aggregate rate in effect on the date of enactment of this Act of such contributions to such programs (but not to exceed 15 cents per hundredweight of milk marketed) if such aggregate rate exceeds 10 cents per hundredweight of milk marketed.

(5) Any person marketing milk of that person's own production directly to consumers shall remit the assessment directly to the Board in the manner prescribed by the order.

(6) IMPORTERS.—

(A) IN GENERAL.—The order shall provide that each importer of imported dairy products shall pay an assessment to the Board in the manner prescribed by the order.

(B) USE OF ASSESSMENTS ON IMPORTED DAIRY PRODUCTS.—Assessments collected on imported dairy products shall not be used for foreign market promotion.

(A) IN GENERAL.—An importer shall be entitled to a refund of any assessment paid under this subsection on imported dairy products imported under a contract entered into prior to the date of enactment of the Food, Conservation, and Energy Act of 2008.

(B) EXPIRATION.—Refunds under subparagraph (A) shall expire 1 year after the date of enactment of the Food, Conservation, and Energy Act of 2008.

(h) The order shall require the Board to (1) maintain such books and records (which shall be available to the Secretary for inspection and audit) as the Secretary may prescribe, (2) prepare and submit to the Secretary, from time to time, such reports as the Sec-

retary may prescribe, and (3) account for the receipt and disbursement of all funds entrusted to it.

(i) The order shall provide that the Board, with the approval of the Secretary, may invest, pending disbursement under a plan or project, funds collected through assessments authorized under this subtitle only in obligations of the United States or any agency thereof, in general obligations of any State or any political subdivision thereof, in any interest-bearing account or certificate of deposit of a bank that is a member of the Federal Reserve System, or in obligations fully guaranteed as to principal and interest by the United States.

(j) The order shall prohibit any funds collected by the Board under the order from being used in any manner for the purpose of influencing governmental policy or action except as provided by subsection (c)(5).

(k) The order shall require that each importer of imported dairy products, each person receiving milk from farmers for commercial use, and any person marketing milk of that person's own production directly to consumers, maintain and make available for inspection such books and records as may be required by the order and file reports at the time, in the manner, and having the content prescribed by the order. Such information shall be made available to the Secretary as is appropriate to the administration or enforcement of this subtitle, or any order or regulation issued under this subtitle. All information so obtained shall be kept confidential by all officers and employees of the Department, and only such information so obtained as the Secretary deems relevant may be disclosed by them and then only in a suit or administrative hearing brought at the request of the Secretary, or to which the Secretary or any officer of the United States is a party, and involving the order with reference to which the information to be disclosed was obtained. Nothing in this subsection may be deemed to prohibit (1) the issuance of general statements, based upon the reports, of the number of persons subject to an order or statistical data collected therefrom, which statements do not identify the information furnished by any person, or (2) the publication, by direction of the Secretary, of the name of any person violating any order, together with a statement of the particular provisions of the order violated by such person. No information obtained under the authority of this subtitle may be made available to any agency or officer of the Federal Government for any purpose other than the implementation of this subtitle and any investigatory or enforcement action necessary for the implementation of this subtitle. Any person violating the provisions of this subsection shall, upon conviction, be subject to a fine of not more than \$1,000, or to imprisonment for not more than one year, or both, and, if an officer or employee of the Board or the Department, shall be removed from office.

(l) The order shall provide terms and conditions, not inconsistent with the provisions of this subtitle, as necessary to effectuate the provisions of the order.

CERTIFICATION OF ORGANIZATIONS

SEC. 114. [7 U.S.C. 4505] (a) The eligibility of any organization to represent milk producers, and to participate in the making of nominations under section 113 of this subtitle shall be certified by the Secretary. The Secretary shall certify any organization that the Secretary determines meets the eligibility criteria established by the Secretary under this section and the Secretary's determination as to eligibility shall be final.

(b) Certification shall be based, in addition to other available information, on a factual report submitted by the organization, which shall contain information deemed relevant and specified by the Secretary, including, but not limited to, the following:

(1) geographic territory covered by the organization's active membership;

(2) nature and size of the organization's active membership including the proportion of the total number of active milk producers represented by the organization;

(3) evidence of stability and permanency of the organization;

(4) sources from which the organization's operating funds are derived;

(5) functions of the organization; and

(6) the organization's ability and willingness to further the aims and objectives of this subtitle.

The primary considerations in determining the eligibility of an organization shall be whether its membership consists primarily of milk producers who produce a substantial volume of milk and whether the primary or overriding interest of the organization is in the production or processing of fluid milk and dairy products and promotion of the nutritional attributes of fluid milk and dairy products.

REQUIREMENT OF REFERENDUM

SEC. 115. [7 U.S.C. 4506] (a) Within the sixty-day period immediately preceding September 30, 1985, the Secretary shall conduct a referendum among producers who, during a representative period (as determined by the Secretary), have been engaged in the production of milk for commercial use for the purpose of ascertaining whether the order then in effect shall be continued. Such order shall be continued only if the Secretary determines that it has been approved by not less than a majority of the producers voting in the referendum, who during a representative period (as determined by the Secretary) have been engaged in the production of milk for commercial use. If continuation of the order is not approved by a majority of the producers voting in the referendum, the Secretary shall terminate collection of assessments under the order within six months after the Secretary determines that such action is favored by a majority of the producers voting in the referendum and shall terminate the order in an orderly manner as soon as practicable after such determination.

(b) The Secretary shall be reimbursed from assessments collected by the Board for any expenses incurred by the Department in connection with the conduct of any referendum under this sec-

tion and section 116, except for the salaries of Government employees.

SUSPENSION AND TERMINATION OF ORDERS

SEC. 116. [7 U.S.C. 4507] (a) After September 30, 1985, the Secretary shall, whenever the Secretary finds that any order issued under this subtitle or any provision thereof obstructs or does not tend to effectuate the declared policy of this subtitle, terminate or suspend the operation of such order or such provisions thereof.

(b) After September 30, 1985, the Secretary may conduct a referendum at any time, and shall hold a referendum on request of a representative group comprising 10 per centum or more of the number of producers and importers subject to the order, to determine whether the producers and importers favor the termination or suspension of the order. The Secretary shall suspend or terminate collection of assessments under the order within six months after the Secretary determines that suspension or termination of the order is favored by a majority of the producers voting in the referendum who, during a representative period (as determined by the Secretary), have been engaged in the production of milk for commercial use and importers voting in the referendum (who have been engaged in the importation of dairy products during the same representative period, as determined by the Secretary) and shall terminate the order in an orderly manner as soon as practicable after such determination.

(c) The termination or suspension of any order, or any provision thereof, shall not be considered an order within the meaning of this subtitle.

COOPERATIVE ASSOCIATION REPRESENTATION

SEC. 117. [7 U.S.C. 4508] Whenever, under the provisions of this subtitle, the Secretary is required to determine the approval or disapproval of producers, the Secretary shall consider the approval or disapproval by any cooperative association of producers, engaged in a bona fide manner in marketing milk or the products thereof, as the approval or disapproval of the producers who are members of or under contract with such cooperative association of producers. If a cooperative association of producers elects to vote on behalf of its members, such cooperative association shall provide each producer, on whose behalf the cooperative association is expressing approval or disapproval, a description of the question presented in the referendum together with a statement of the manner in which the cooperative association intends to cast its vote on behalf of the membership. Such information shall inform the producer of procedures to follow to cast an individual ballot should the producer so choose within the period of time established by the Secretary for casting ballots. Such notification shall be made at least thirty days prior to the referendum and shall include an official ballot. The ballots shall be tabulated by the Secretary and the vote of the cooperative association shall be adjusted to reflect such individual votes.

PETITION AND REVIEW

SEC. 118. [7 U.S.C. 4509] (a) Any person subject to any order issued under this subtitle may file with the Secretary a petition stating that any such order or any provision of such order or any obligation imposed in connection therewith is not in accordance with law and requesting a modification thereof or an exemption therefrom. The petitioner shall thereupon be given an opportunity for a hearing on the petition, in accordance with regulations issued by the Secretary. After such hearing, the Secretary shall make a ruling on the petition, which shall be final if in accordance with law.

(b) The district courts of the United States in any district in which such person is an inhabitant or carries on business are hereby vested with jurisdiction to review such ruling, if a complaint for that purpose is filed within twenty days from the date of the entry of such ruling. Service of process in such proceedings may be had on the Secretary by delivering a copy of the complaint to the Secretary. If the court determines that such ruling is not in accordance with law, it shall remand such proceedings to the Secretary with directions either (1) to make such ruling as the court shall determine to be in accordance with law, or (2) to take such further proceedings as, in its opinion, the law requires.

ENFORCEMENT

SEC. 119. [7 U.S.C. 4510] (a) The district courts of the United States are vested with jurisdiction specifically to enforce, and to prevent and restrain any person from violating, any order or regulation made or issued under this subtitle. Any civil action authorized to be brought under this subsection shall be referred to the Attorney General for appropriate action, except that the Secretary is not required to refer to the Attorney General minor violations of this subtitle whenever the Secretary believes that the administration and enforcement of this subtitle would be adequately served by suitable written notice or warning to any person committing such violation.

(b) Any person who willfully violates any provision of any order issued by the Secretary under this subtitle shall be assessed a civil penalty by the Secretary of not more than \$1,000 for each such violation and, in the case of a willful failure to pay, collect, or remit the assessment as required by the order, in addition to the amount due, a penalty equal to the amount of the assessment on the quantity of milk as to which the failure applies. The amount of any such penalty shall accrue to the United States and may be recovered in a civil suit brought by the United States.

(c) The remedies provided in subsections (a) and (b) of this section shall be in addition to, and not exclusive of, other remedies that may be available.

INVESTIGATIONS; POWER TO SUBPENA AND TAKE OATHS AND
AFFIRMATIONS; AID OF COURTS

SEC. 120. [7 U.S.C. 4511] The Secretary may make such investigations as the Secretary deems necessary for the effective ad-

ministration of this subtitle or to determine whether any person subject to the provisions of this subtitle has engaged or is about to engage in any act that constitutes or will constitute a violation of any provision of this subtitle or of any order, or rule or regulation issued under this subtitle. For the purpose of such investigation, the Secretary may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any records that are relevant to the inquiry. Such attendance of witnesses and the production of any such records may be required from any place in the United States. In case of contumacy by, or refusal to obey a subpoena to, any person, the Secretary may invoke the aid of any court of the United States within the jurisdiction of which such investigation or proceeding is carried on, or where such person resides or carries on business, in requiring the attendance and testimony of witnesses and the production of records. The court may issue an order requiring such person to appear before the Secretary to produce records or to give testimony touching the matter under investigation. Any failure to obey such order of the court may be punished by such court as a contempt thereof. Process in any such case may be served in the judicial district in which such person is an inhabitant or wherever such person may be found.

ADMINISTRATIVE PROVISIONS

SEC. 121. [7 U.S.C. 4512] (a) Nothing in this subtitle may be construed to preempt or supersede any other program relating to dairy product promotion organized and operated under the laws of the United States or any State.

(b) The provisions of this subtitle applicable to orders shall be applicable to amendments to orders.

AUTHORIZATION

SEC. 122. [7 U.S.C. 4513] There are hereby authorized to be appropriated such funds as are necessary to carry out the provisions of this subtitle. The funds so appropriated shall not be available for payment of the expenses or expenditures of the Board in administering any provisions of any order issued under the terms of this subtitle.
