

AMENDMENT NO. _____ Calendar No. _____

Purpose: To periodically assess cybersecurity threats to, and vulnerabilities in, the agriculture and food critical infrastructure sector.

IN THE SENATE OF THE UNITED STATES—119th Cong., 2d Sess.

S. _____

To provide for the reform and continuation of agricultural and other programs of the Department of Agriculture through fiscal year 2031, and for other purposes.

Referred to the Committee on _____ and
ordered to be printed

Ordered to lie on the table and to be printed

AMENDMENT intended to be proposed by Ms. SLOTKIN

Viz:

1 At the end of subtitle B of title XII, add the fol-
2 lowing:

3 **SEC. 122__.** **ASSESSMENT OF CYBERSECURITY THREATS**
4 **AND SECURITY VULNERABILITIES IN THE AG-**
5 **RICULTURE AND FOOD CRITICAL INFRA-**
6 **STRUCTURE SECTOR.**

7 (a) **DEFINITIONS.**—In this section:

8 (1) **AGRICULTURE AND FOOD CRITICAL INFRA-**
9 **STRUCTURE SECTOR.**—The term “agriculture and
10 food critical infrastructure sector” means—

1 (A) any activity relating to the production,
2 processing, distribution, storage, transportation,
3 consumption, or disposal of agricultural or food
4 products; and

5 (B) any entity involved in an activity de-
6 scribed in subparagraph (A), including a farm-
7 er, rancher, processor, manufacturer, dis-
8 tributor, retailer, consumer, and regulator.

9 (2) CYBERSECURITY THREAT; DEFENSIVE
10 MEASURE; INCIDENT; SECURITY VULNERABILITY.—
11 The terms “cybersecurity threat”, “defensive meas-
12 ure”, “incident”, and “security vulnerability” have
13 the meanings given those terms in section 2200 of
14 the Homeland Security Act of 2002 (6 U.S.C. 650).

15 (3) SECTOR-SPECIFIC ISAC.—The term “sec-
16 tor-specific ISAC” means the Food and Agriculture-
17 Information Sharing and Analysis Center.

18 (b) RISK ASSESSMENT.—

19 (1) IN GENERAL.—Not later than 1 year after
20 the date of enactment of this Act, and on a biennial
21 basis thereafter, the Secretary, in coordination with
22 the Cybersecurity and Infrastructure Security Agen-
23 cy, shall conduct a risk assessment on the cybersecu-
24 rity threats to, and security vulnerabilities in, the

1 agriculture and food critical infrastructure sector,
2 including—

3 (A) the nature and extent of cyberattacks
4 and incidents that affect the agriculture and
5 food critical infrastructure sector;

6 (B) the potential impacts of a cyberattack
7 or incident on the safety, security, and avail-
8 ability of food products, as well as on the econ-
9 omy, public health, and national security of the
10 United States;

11 (C) the current capability and readiness of
12 the Federal Government, State and local gov-
13 ernments, and private sector entities to prevent,
14 detect, mitigate, respond to, and recover from
15 cyberattacks and incidents described in sub-
16 paragraph (B);

17 (D) the existing policies, standards, guide-
18 lines, best practices, and initiatives applicable to
19 the agriculture and food critical infrastructure
20 sector to enhance defensive measures in that
21 sector;

22 (E) the gaps, challenges, barriers, or op-
23 portunities for improving defensive measures in
24 the agriculture and food critical infrastructure
25 sector; and

1 (F) any recommendations for Federal leg-
2 islative or administrative actions to address the
3 cybersecurity threats to, and security
4 vulnerabilities in, the agriculture and food crit-
5 ical infrastructure sector, including intrusive,
6 duplicative, or conflicting regulatory require-
7 ments that may divert attention and resources
8 from operational risk management to a compli-
9 ance regime that impedes security efforts.

10 (2) PRIVATE SECTOR PARTICIPATION.—In con-
11 ducting a risk assessment under paragraph (1), the
12 Secretary shall consult with appropriate entities in
13 the private sector, including—

14 (A) the sector-specific ISAC; and

15 (B) the appropriate sector coordinating
16 council.

17 (3) REPORT.—The Secretary shall submit a re-
18 port on each risk assessment conducted under para-
19 graph (1) to—

20 (A) the Committee on Agriculture, Nutri-
21 tion, and Forestry of the Senate;

22 (B) the Committee on Homeland Security
23 and Governmental Affairs of the Senate;

24 (C) the Committee on Agriculture of the
25 House of Representatives; and

1 (D) the Committee on Homeland Security
2 of the House of Representatives.

3 (c) FOOD SECURITY AND CYBER RESILIENCE SIM-
4 ULATION EXERCISE.—

5 (1) ESTABLISHMENT.—Not later than 2 years
6 after the date of enactment of this Act, and on a bi-
7 ennial basis thereafter over a 6-year period, the Sec-
8 retary, in coordination with the Secretary of Home-
9 land Security, the Secretary of Health and Human
10 Services, the Director of National Intelligence, and
11 the heads of other relevant Federal agencies, shall
12 conduct a cross-sector crisis simulation exercise re-
13 lating to a food-related emergency or disruption (re-
14 ferred to in this subsection as an “exercise”).

15 (2) PURPOSES.—The purposes of each exercise
16 are—

17 (A) to assess the preparedness and re-
18 sponse capabilities of Federal, State, Tribal,
19 local, and territorial governments and private
20 sector entities in the event of a food-related
21 emergency or disruption;

22 (B) to identify and address gaps and
23 vulnerabilities in the food supply chain and crit-
24 ical infrastructure;

1 (C) to enhance coordination and informa-
2 tion sharing among stakeholders involved in
3 food production, processing, distribution, and
4 consumption;

5 (D) to evaluate the effectiveness and effi-
6 ciency of existing policies, programs, and re-
7 sources relating to food security and resilience;

8 (E) to develop and disseminate best prac-
9 tices and recommendations for improving food
10 security and resilience; and

11 (F) to identify key stakeholders and cat-
12 egories that were missing from the exercise to
13 ensure the inclusion of those stakeholders and
14 categories in future exercises.

15 (3) DESIGN.—Each exercise shall—

16 (A) involve a realistic and plausible sce-
17 nario that simulates a food-related emergency
18 or disruption affecting multiple sectors and ju-
19 risdictions;

20 (B) incorporate input from experts and
21 stakeholders from various disciplines and sec-
22 tors, including agriculture, public health, nutri-
23 tion, emergency management, transportation,
24 energy, water, communications, related equip-
25 ment suppliers and manufacturers, and cyberse-

1 security, including related academia and private
2 sector information security researchers and
3 practitioners, including the sector-specific
4 ISAC;

5 (C) use a variety of methods and tools,
6 such as tabletop exercises, workshops, seminars,
7 games, drills, or full-scale exercises; and

8 (D) include participants from Federal,
9 State, Tribal, local, and territorial governments
10 and private sector entities, including the sector-
11 specific ISAC and appropriate sector coordi-
12 nating councils, that have roles and responsibil-
13 ities relating to food security and resilience.

14 (4) PRIVATE SECTOR PARTICIPATION.—In con-
15 ducting an exercise, the Secretary shall consult with
16 appropriate entities in the private sector, includ-
17 ing—

18 (A) the sector-specific ISAC; and

19 (B) the appropriate sector coordinating
20 councils.

21 (5) FEEDBACK; REPORT.—After each exercise,
22 the Secretary, in consultation with the heads of the
23 Federal agencies described in paragraph (1), shall—

1 (Λ) provide feedback to, and an evaluation
2 of, the participants in that exercise on their
3 performance and outcomes; and

4 (B) produce, and submit to Congress, a re-
5 port that summarizes, with respect to that exer-
6 cise, the findings of that exercise, lessons
7 learned from that exercise, and recommenda-
8 tions to enhance the cybersecurity and resilience
9 of the agriculture and food critical infrastruc-
10 ture sector.

11 (6) AUTHORIZATION OF APPROPRIATIONS.—
12 There is authorized to be appropriated to carry out
13 this subsection \$1,000,000 for each of fiscal years
14 2027 through 2031.
