SEC. 307. [7 U.S.C. 1927] (a)(1) The period for repayment of loans under this subtitle shall not exceed forty years.

(2) Except as otherwise provided in paragraphs (3), (4), (5), and (6) of this subsection, the interest rates on loans under this subtitle shall be as determined by the Secretary, but not in excess of the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, plus not to exceed 1 per centum, as determined by the Secretary, and adjusted to the nearest one-eighth of 1 per centum.

(3)(A) Notwithstanding the provisions of the constitution or laws of any State limiting the rate or amount of interest that may be charged, taken, received, or reserved, except as provided in paragraph (6), the interest rates on loans (other than guaranteed loans), to public bodies or nonprofit associations (including Indian tribes on Federal and State reservations and other federally recognized Indian tribal groups) for water and waste disposal facilities and essential community facilities shall be set by the Secretary at rates not to exceed the current market yield for outstanding municipal obligations with remaining periods to maturity comparable to the average maturity for such loans, and adjusted to the nearest one-eighth of 1 per centum; and not in excess of 5 per centum per annum for any such loans which are for the upgrading of existing facilities or construction of new facilities as required to meet applicable health or sanitary standards in areas where the median family income of the persons to be served by such facility is below the poverty line prescribed by the Office of Management and Budget as adjusted under section 624 of the Economic Opportunity Act of 1964 (42 U.S.C. 2971d) and in other areas as the Secretary may designate where a significant percentage of the persons to be served by such facilities are of low income, as determined by the Secretary; and not in excess of 7 per centum per annum on loans for such facilities that do not qualify for the 5 per centum per annum interest rate but are located in areas where the median household income of the persons to be served by the facility does not exceed 100 per centum of the statewide nonmetropolitan median household income.

(B) Except as provided in subparagraph (D) and in paragraph (6), the interest rate on loans (other than guaranteed loans) under section 310D shall not be—

(i) greater than the sum of—

(I) an amount that does not exceed one-half of the current average market yield on outstanding marketable obligations of the United States with maturities of 5 years; and

(II) an amount not exceeding 1 percent per year, as the Secretary determines is appropriate; or

(ii) less than 5 percent per year.

(C) Notwithstanding subparagraph (A), the Secretary shall establish loan rates for health care and related facilities based solely on the income of the area to be served, and such rates shall be otherwise consistent with such subparagraph.

(D) JOINT FINANCING ARRANGEMENTS.—If a direct farm ownership loan is made under this subtitle as part of a joint financing arrangement and the amount of the direct farm ownership loan does not exceed 50 percent of the

total principal amount financed under the arrangement, the interest rate on the direct farm ownership loan shall be a rate equal to the greater of—

- (i) the difference between—
 - (I) 2 percent; and
 - (II) the interest rate for farm ownership loans under this subtitle; or
- (ii) 2.5 percent.

(E) INTEREST RATES FOR WATER AND WASTE DISPOSAL FACILITIES LOANS.—

(i) IN GENERAL.—Except as provided in clause (ii) and notwithstanding subparagraph (A), in the case of a direct loan for a water or waste disposal facility—

(I) in the case of a loan that would be subject to the 5 percent interest rate limitation under subparagraph (A), the Secretary shall establish the interest rate at a rate that is equal to 60 percent of the current market yield for outstanding municipal obligations with remaining periods to maturity comparable to the average maturity of the loan, adjusted to the nearest $\frac{1}{8}$ of 1 percent; and

(II) in the case of a loan that would be subject to the 7 percent limitation under subparagraph (A), the Secretary shall establish the interest rate at a rate that is equal to 80 percent of the current market yield for outstanding municipal obligations with remaining periods to maturity comparable to the average maturity of the loan, adjusted to the nearest $\frac{1}{8}$ of 1 percent.

(ii) EXCEPTION.—Clause (i) does not apply to a loan for a specific project that is the subject of a loan that has been approved, but not closed, as of the date of enactment of this subparagraph.

(4) Except as provided in paragraph (6), the interest rates on loans under sections 306(a)(1) and 310B of this title (other than guaranteed loans and loans as described in paragraph (3) of this subsection) shall be as determined by the Secretary, but not less than such rates as determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, adjusted in the judgment of the Secretary of the Treasury to provide for rates comparable to the rates prevailing in the private market for similar loans and considering the Secretary's insurance of the loans, plus an additional charge, prescribed by the Secretary, to cover the Secretary's losses and cost of administration, which charge shall be deposited in the Rural Development Insurance Fund, and further adjusted to the nearest one-eighth of 1 per centum.

(5)(A) Except as provided in subparagraph (B), the interest rate on any loan made under this subtitle as a guaranteed loan shall be such rate as may be agreed upon by the borrower and the

lender, but not in excess of a rate as may be determined by the Secretary.

(B) In the case of a loan made under section 310B as a guaranteed loan, subparagraph (A) shall apply notwithstanding the provisions of the constitution or laws of any State limiting the rate or amount of interest that may be charged, taken, received, or reserved.

(6)(A) Notwithstanding any other provision of this section, in the case of loans (other than guaranteed loans) made or insured under the authorities of this Act specified in subparagraph (B) for activities that involve the use of prime farmland as defined in subparagraph (C), the interest rates shall be the interest rates otherwise applicable under this section increased by 2 per centum per annum. Wherever practicable, construction by a State, municipality, or other political subdivision of local government that is supported by loans described in the preceding sentence shall be placed on land that is not prime farmland, in order to preserve the maximum practicable amount of prime farmlands for production of food and fiber. Where other options exist for the siting of such construction and where the governmental authority still desires to carry out such construction on prime farmland, the 2 per centum interest rate increase provided by this clause shall apply, but such increased interest rate shall not apply where such other options do not exist.

(B) The authorities referred to in subparagraph (A) are—

- (i) the provisions of section 306(a)(1) relating to loans for recreational developments and essential community facilities,
- (ii) section 310B(a)(2)(A); and
- (iii) subsections (d) and (e) of section 310B(d).

(C) For purposes of this paragraph, the term “prime farmland” means prime farmlands and unique farmland as those terms are defined in sections 657.5 (a) and (b) of title 7, Code of Federal Regulations (1980).

(b) The borrower shall pay such fees and other charges as the Secretary may require, and borrowers under the title shall prepay to the Secretary such taxes and insurance as the Secretary may require, on such terms and conditions as the Secretary may prescribe.

(c) The Secretary shall take as security for the obligations entered into in connection with loans, mortgages on farms with respect to which such loans are made or such other security as the Secretary may require, and for obligations in connection with loans to associations under section 306, shall take liens on the facility or such other security as he may determine to be necessary. Such security instruments may constitute liens running to the United States notwithstanding the fact that the notes may be held by lenders other than the United States. A borrower may use the same collateral to secure two or more loans made, insured, or guaranteed under this subtitle, except that the outstanding amount of such loans may not exceed the total value of the collateral so used.

(d) The Secretary may not—

- (1) require any borrower to provide additional collateral to secure a farmer program loan made or insured under this title,

if the borrower is current in the payment of principal and interest on the loan; or

(2) bring any action to foreclose, or otherwise liquidate, any such loan as a result of the failure of a borrower to provide additional collateral to secure a loan, if the borrower was current in the payment of principal and interest on the loan at the time the additional collateral was requested.

SEC. 308. [7 U.S.C. 1928] FULL FAITH AND CREDIT.

(a) **IN GENERAL.**—A contract of insurance or guarantee executed by the Secretary under this title shall be an obligation supported by the full faith and credit of the United States.

(b) **CONTESTABILITY.**—A contract of insurance or guarantee executed by the Secretary under this title shall be incontestable except for fraud or misrepresentation that the lender or any holder—

(1) has actual knowledge of at the time the contract or guarantee is executed; or

(2) participates in or condones.

SEC. 309. [7 U.S.C. 1929] (a) The fund established pursuant to section 11(a) of the Bankhead-Jones Farm Tenant Act, as amended, shall hereafter be called the Agricultural Credit Insurance Fund and is hereinafter in this subtitle referred to as the “fund”. The fund shall remain available as a revolving fund for the discharge of the obligations of the Secretary under agreements insuring loans under this subtitle and loans and mortgages insured under prior authority.

(b) Moneys in the fund not needed for current operations shall be deposited in the Treasury of the United States to the credit of the fund or invested in direct obligations of the United States or obligations guaranteed by the United States. The Secretary may purchase with money in the fund any notes issued by the Secretary to the Secretary of the Treasury for the purpose of obtaining money for the fund.

(c) The Secretary is authorized to make and issue notes to the Secretary of the Treasury for the purpose of obtaining funds necessary for discharging obligations under this section and for authorized expenditures out of the fund. Such notes shall be in such form and denominations and have such maturities and be subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes shall bear interest at a rate fixed by the Secretary of the Treasury, taking into consideration the current average market yield of outstanding marketable obligations of the United States having maturities comparable to the notes issued by the Secretary under this subtitle. The Secretary of the Treasury is authorized and directed to purchase any notes of the Secretary issued hereunder, and, for that purpose, the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which such securities may be issued under such Act, as amended, are extended to include the purchase of notes issued by the Secretary. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes shall be treated as public debt transactions of the United States.

(d) Notes and security acquired by the Secretary in connection with loans insured under this subtitle and under prior authority shall become a part of the fund. Notes may be held in the fund and collected in accordance with their terms or may be sold by the Secretary with or without agreements for insurance thereof at the balance due thereon, or on such other basis as the Secretary may determine from time to time. All net proceeds from such collections, including sales of notes or property, shall be deposited in and become a part of the fund.

(e) The Secretary shall deposit in the fund all or a portion, not to exceed one-half of 1 per centum of the unpaid principal balance of the loan, of any charge collected in connection with the insurance of loans; and any remainder of any such charge shall be available for administrative expenses of the Farmers Home Administration and the Rural Development Administration, in proportion to such charges collected in connection with the insurance of loans by such agency, to be transferred annually and become merged with any appropriation for administrative expenses for such agency.

(f) The Secretary may utilize the fund—

(1) to pay amounts to which the holder of the note is entitled on loans heretofore or hereafter insured accruing between the date of any payments made by the borrower and the date of transmittal of any such payments to the lender. In the discretion of the Secretary, payments other than final payments need not be remitted to the holder until due or until the next agreed annual or semiannual remittance date;

(2) to pay to the holder of the notes any deferred or defaulted installment or, upon assignment of the note to the Secretary at the Secretary's request, the entire balance due on the loan;

(3) to purchase notes in accordance with agreements previously entered into;

(4) to pay for contract services, taxes, insurance, prior liens, expenses necessary to make fiscal adjustments in connection with the application and transmittal of collections and other expenses and advances authorized in connection with insured loans, including the difference between interest payable by borrowers and interest to which insured lenders or insured holders are entitled under agreements with the Secretary included in contracts of insurance;

(5) to pay the Secretary's costs of administration necessary to insure, make grants, service, and otherwise carry out the programs under this title not specifically covered by the Rural Development Insurance Fund of section 309A, including costs of the Secretary incidental to guaranteeing loans under this title, either directly from the Fund or by transfers from the Fund to, and merger with, any appropriations for administrative expenses.

(g)(1) The assets and liabilities of, and authorizations applicable to, the Farmers Home Administration direct loan account created by section 338(c) (before the amendment made by section 749(a)(1) of the Federal Agriculture Improvement and Reform Act of 1996) and the Emergency Credit Revolving Fund referred to in section 326 are hereby transferred to the fund, and such account

and such revolving fund are hereby abolished. Such assets and their proceeds, including loans made out of the fund pursuant to this section, shall be subject to the provisions of this section, the last sentence of section 306(a)(1), and the last sentence of section 307.

(2) From time to time, and at least at the close of each fiscal year, the Secretary shall pay from the fund into the Treasury as miscellaneous receipts interest on the values as determined by the Secretary, with the approval of the Comptroller General, of the Government's equity transferred to the fund pursuant to the first sentence of this subsection plus the cumulative amount of appropriations made available after enactment of this provision as capital and for administration of the programs financed from the fund, less the average undisbursed cash balance in the fund during the year. The rate of such interest shall be determined by the Secretary of the Treasury, taking into consideration the current average yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of loans made or insured from the fund, adjusted to the nearest one-eighth of 1 per centum. Interest payments may be deferred with the approval of the Secretary of the Treasury, but any interest payments so deferred shall themselves bear interest. If at any time the Secretary determines that moneys in the fund exceed present and any reasonably prospective future requirements of the fund, such excess may be transferred to the general fund of the Treasury.

(h)(1) The Secretary may provide financial assistance to borrowers for purposes provided in this title by guaranteeing loans made by any Federal or State chartered bank, savings and loan association, cooperative lending agency, or other legally organized lending agency.

(2) The interest rate payable by a borrower on the portion of a guaranteed loan that is sold by a lender to the secondary market under this title may be lower than the interest rate charged on the portion retained by the lender, but shall not exceed the average interest rate charged by the lender on loans made to farm and ranch borrowers.

(3) With regard to any loan guarantee on a loan made by a commercial or cooperative lender related to a loan made by the Secretary under section 310E—

(A) the Secretary shall not charge a fee to any person (including a lender); and

(B) a lender may charge a loan origination and servicing fee in an amount not to exceed 1 percent of the amount of the loan.

(4) MAXIMUM GUARANTEE OF 90 PERCENT.—Except as provided in paragraphs (5), (6), and (7), a loan guarantee under this title shall be for not more than 90 percent of the principal and interest due on the loan.

(5) REFINANCED LOANS GUARANTEED AT 95 PERCENT.—The Secretary shall guarantee 95 percent of—

(A) in the case of a loan that solely refinances a direct loan made under this title, the principal and interest due on the loan on the date of the refinancing; or

(B) in the case of a loan that is used for multiple purposes, the portion of the loan that refinances the principal and interest due on a direct loan made under this title that is outstanding on the date the loan is guaranteed.

(6) BEGINNING FARMER LOANS GUARANTEED UP TO 95 PERCENT.—The Secretary may guarantee not more than 95 percent of—

(A) a farm ownership loan for acquiring a farm or ranch to a borrower who is participating in the down payment loan program under section 310E; or

(B) an operating loan to a borrower who is participating in the down payment loan program under section 310E that is made during the period that the borrower has a direct loan outstanding under this subtitle for acquiring a farm or ranch.

(7) AMOUNT OF GUARANTEE OF LOANS FOR FARM OPERATIONS ON TRIBAL LANDS.—In the case of an operating loan made to a farmer or rancher whose farm or ranch land is subject to the jurisdiction of an Indian tribe and whose loan is secured by 1 or more security instruments that are subject to the jurisdiction of an Indian tribe, the Secretary shall guarantee 95 percent of the loan.

(i)(1) Not later than 60 days after any State expresses to the Secretary, in writing, a desire to coordinate the provision of financial assistance to qualified beginning farmers and ranchers in the State, the Secretary and the State shall conclude a joint memorandum of understanding that shall govern the coordination of the provision of the financial assistance by the State and the Secretary.

(2) The memorandum of understanding shall provide that if a State beginning farmer program makes a commitment to provide a qualified beginning farmer or rancher with financing to establish or maintain a viable farming or ranching operation, the Secretary shall, subject to applicable law, normal loan approval criteria, and the availability of funds provide the farmer or rancher with a down payment loan under section 310E or a guarantee of the financing provided by the State program, or both.

(3) The Secretary shall not charge any person (including a lender) any fee with respect to the provision of any guarantee under this subsection.

(4) The Secretary shall notify each State of the provisions of this subsection.

(5) As used in paragraph (1), the term “State beginning farmer program” means any program that is—

(A) carried out by, or under contract with, a State; and

(B) designed to assist persons in obtaining the financial assistance necessary to enter agriculture and establish viable farming or ranching operations.

(j) GUARANTEE OF LOANS MADE UNDER STATE BEGINNING FARMER OR RANCHER PROGRAMS.—The Secretary may guarantee under this title a loan made under a State beginning farmer or rancher program, including a loan financed by the net proceeds of a qualified small issue agricultural bond for land or property described in section 144(a)(12)(B)(ii) of the Internal Revenue Code of 1986.

SEC. 309A. [7 U.S.C. 1929a] (a) There is hereby created the Rural Development Insurance Fund (hereinafter in this section referred to as the "Insurance Fund") which shall be used by the Secretary as a revolving fund for the discharge of the obligations of the Secretary under contracts guaranteeing or insuring rural development loans. For the purpose of this section "rural development loans" shall be those provided for by sections 306(a)(1) and 310B, except loans (other than for water systems and waste disposal facilities) of a type authorized by section 306(a)(1) prior to its amendment by the Rural Development Act of 1972.

(b) The assets and liabilities of the Agricultural Credit Insurance Fund referred to in section 309(a) applicable to loans for water systems and waste disposal facilities under section 306(a)(1) are hereby transferred to the Insurance Fund. Such assets (including the proceeds thereof) and liabilities and rural development loans guaranteed or insured pursuant to this title shall be subject to the provisions of this section.

(c) Moneys in the Insurance Fund not needed for current operations shall be deposited in the Treasury of the United States to the credit of the Insurance Fund or invested in direct obligations of the United States or obligations guaranteed by the United States. The Secretary may purchase with money in the Insurance Fund any notes issued by the Secretary to the Secretary of the Treasury for the purpose of obtaining money for the Insurance Fund.

(d) The Secretary is authorized to make and issue notes to the Secretary of the Treasury for the purpose of obtaining funds necessary for discharging obligations under this section and for making loans, advances, and authorized expenditures out of the Insurance Fund. Such notes shall be in such form and denominations and have such maturities and be subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes shall bear interest at a rate fixed by the Secretary of the Treasury, taking into consideration the current average market yield of outstanding marketable obligations of the United States having maturities comparable to the average maturities of rural development loans made, guaranteed, or insured under this title. The Secretary of the Treasury is authorized and directed to purchase any notes of the Secretary issued hereunder, and, for that purpose, the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which such securities may be issued under such Act, as amended, are extended to include the purchase of notes issued by the Secretary hereunder. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes shall be treated as public debt transactions of the United States.

(e) Notes and security acquired by the Secretary in connection with rural development loans made, guaranteed, or insured under this title or transferred by subsection (b) of this section shall become a part of the Insurance Fund. Notes and other obligations may be held in the Insurance Fund and collected in accordance with their terms or may be sold by the Secretary with or without

agreements for insurance thereof at the balance due thereon, or on such other basis as the Secretary may determine from time to time, including sale on a nonrecourse basis. The Secretary and any subsequent purchaser of such notes or other obligations sold by the Secretary on a nonrecourse basis shall be relieved of any responsibilities that might have been imposed had the borrower remained indebted to the Secretary. All net proceeds from such collections, including sales of notes or property, shall be deposited in and become a part of the Insurance Fund.

(f) The Secretary shall deposit in the Insurance Fund any charges collected for loan services provided by the Secretary as well as charges assessed for losses and costs of administration in connection with making, guaranteeing, or insuring rural development loans under this title.

(g) The Secretary may utilize the Insurance Fund—

(1) to pay amounts to which the holder of insured notes is entitled on loans heretofore or hereafter insured accruing between the date of any payments by the borrower and the date of transmittal of any such payments to the holder. In the discretion of the Secretary, payments other than final payments need not be remitted to the holder until due or until the next agreed annual or semiannual remittance date;

(2) to pay to the holder of insured notes any deferred or defaulted installment, or upon assignment of the note to the Secretary at the Secretary's request, the entire balance due on the loan;

(3) to purchase notes in accordance with contracts of insurance heretofore or hereafter entered into by the Secretary;

(4) to make payments in compliance with the Secretary's obligations under contracts of guarantee entered into by him;

(5) to pay taxes, insurance, prior liens, expenses necessary to make fiscal adjustments in connection with the application and transmittal of collections or necessary to obtain credit reports on applicants or borrowers, expenses for necessary services, including construction inspections, commercial appraisals, loan servicing, consulting business advisory or other commercial and technical services, and other program services, and other expenses and advances authorized in section 335(a) of this title in connection with insured loans. Such items may be paid in connection with guaranteed loans after or in connection with acquisition by the Secretary of such loans or security therefor after default, to an extent determined by the Secretary to be necessary to protect the interest of the Government, or in connection with grants and any other activity authorized in this title;

(6) to pay the difference between interest payments by borrowers and interest to which holders of insured notes are entitled under contracts of insurance heretofore or hereafter entered into by the Secretary; and

(7) to pay the Secretary's costs of administration necessary to insure loans under the programs referred to in subsection (a) of this section, make grants under sections 306(a) and 310B of this title, service, and otherwise carry out such programs, including costs of the Secretary incidental to guaranteeing

rural development loans under this title, either directly from the Insurance Fund or by transfers from the Fund to, and merger with, any appropriations for administrative expenses.

(h) When any loan is sold out of the Insurance Fund as an insured loan, the interest or other income thereon paid to an insured holder shall be included in gross income for purposes of chapter 1 of the Internal Revenue Code of 1954.

SEC. 309B. [7 U.S.C. 1929b] The Secretary may purchase, on such terms and conditions as the Secretary deems appropriate, the guaranteed portion of any loan guaranteed under this title: *Provided*, That the Secretary may not pay for any such guaranteed portion of a loan in excess of an amount equal to the unpaid principal balance and accrued interest on the guaranteed portion of the loan. The Secretary may use for such purchases funds from the Rural Development Insurance Fund with respect to rural development loans as defined in section 309A(a) of this title and funds from the Agricultural Credit Insurance Fund with respect to all other loans under this title. This authority may be exercised only if the Secretary determines that an adequate secondary market is not available in the private sector.

(b) HAZARD INSURANCE REQUIREMENT.—

(1) IN GENERAL.—After the Secretary makes the determination required by paragraph (2), the Secretary may not make a loan to a farmer or rancher under this subtitle to cover a property loss unless the farmer or rancher had hazard insurance that insured the property at the time of the loss.

(2) DETERMINATION.—Not later than 180 days after the date of enactment of this paragraph, the Secretary shall determine the appropriate level of insurance to be required under paragraph (1).

(3) LOANS TO POULTRY FARMERS.—

(A) INABILITY TO OBTAIN INSURANCE.—

(i) IN GENERAL.—Notwithstanding any other provision of this subtitle, the Secretary may make a loan to a poultry farmer under this subtitle to cover the loss of a chicken house for which the farmer did not have hazard insurance at the time of the loss, if the farmer—

(I) applied for, but was unable, to obtain hazard insurance for the chicken house;

(II) uses the loan to rebuild the chicken house in accordance with industry standards in effect on the date the farmer submits an application for the loan (referred to in this paragraph as “current industry standards”);

(III) obtains, for the term of the loan, hazard insurance for the full market value of the chicken house; and

(IV) meets the other requirements for the loan under this subtitle.

(i) AMOUNT.—Subject to the limitation contained in section 324(a)(2), the amount of a loan made to a poultry farmer under clause (i) shall be an amount that will allow the farmer to rebuild the chicken house in accordance with current industry standards.

(B) LOANS TO COMPLY WITH CURRENT INDUSTRY STANDARDS.—

(i) IN GENERAL.—Notwithstanding any other provision of this subtitle, the Secretary may make a loan to a poultry farmer under this subtitle to cover the loss of a chicken house for which the farmer had hazard insurance at the time of the loss, if—

(I) the amount of the hazard insurance is less than the cost of rebuilding the chicken house in accordance with current industry standards;

(II) the farmer uses the loan to rebuild the chicken house in accordance with current industry standards;

(III) the farmer obtains, for the term of the loan, hazard insurance for the full market value of the chicken house; and

(IV) the farmer meets the other requirements for the loan under this subtitle.

(ii) AMOUNT.—Subject to the limitation contained in section 324(a)(2), the amount of a loan made to a poultry farmer under clause (i) shall be the difference between—

(I) the amount of the hazard insurance obtained by the farmer; and

(II) the cost of rebuilding the chicken house in accordance with current industry standards.

(c) The Secretary shall conduct the emergency loan program under this subtitle in a manner that will foster and encourage the family farm system of agriculture, consistent with the reaffirmation of policy and declaration of the intent of Congress contained in section 102(a) of the Food and Agriculture Act of 1977.

(d) For the purposes of this subtitle—

(1) “aquaculture” means the husbandry of aquatic organisms under a controlled or selected environment; and

(2) “able to obtain sufficient credit elsewhere” means able to obtain sufficient credit elsewhere to finance the applicant’s actual needs at reasonable rates and terms, taking into consid-

eration prevailing private and cooperative rates and terms in the community in or near which the applicant resides for loans for similar purposes and periods of time.

SEC. 322. [7 U.S.C. 1962] (a) For the purpose of determining whether to make or insure any loan under this subtitle, the Secretary shall take into consideration the net worth of the applicant involved, including all the assets and liabilities of the applicant.

(b) For the purpose of determining whether an applicant under this subtitle is not able to obtain sufficient credit elsewhere, the Secretary shall require at least one written indication of declination of credit, from a legally organized lending institution within reasonable proximity to the applicant, that specifies the reasons for the declination: *Provided*, That for loans in excess of \$300,000, the Secretary shall require at least two such written declinations: *Provided further*, That for loans of \$100,000 or less, the Secretary may waive the requirement of this subsection if the Secretary determines that it would impose an undue burden on the applicant.

SEC. 323. [7 U.S.C. 1963] Loans may be made or insured under this subtitle for any purpose authorized for loans under subtitle A or B of this title and for crop or livestock changes that are necessitated by a quarantine, natural disaster, major disaster, or emergency and that are deemed desirable by the applicant, subject to the limitations on the amounts of loans provided in section 324(a) of this title.

SEC. 324. [7 U.S.C. 1964] TERMS OF LOANS.

(a) **MAXIMUM AMOUNT OF LOAN.**—The Secretary may not make a loan under this subtitle to a borrower who has suffered a loss in an amount that—

- (1) exceeds the actual loss caused by a disaster; or
- (2) would cause the total indebtedness of the borrower under this subtitle to exceed \$500,000.

(b) Loans under this subtitle shall be at rates of interest as follows:

(1) For loans or portions of loans up to the amount of the applicant's actual loss caused by the disaster, as limited under subsection (a)(1) of this section, the interest shall be at rates prescribed by the Secretary, but not in excess of 8 percent per annum; and

(2) For loans or portions of loans in excess of the amount of the applicant's actual loss caused by the disaster, as limited under subsection (a)(1) of this section, (A) the interest for insured loans shall be at rates prevailing in the private market for similar loans, as determined by the Secretary, and (B) the interest for guaranteed loans shall be at rates agreed on by the borrower and lender, but not in excess of such rates as may be determined by the Secretary.

(c) For guaranteed loans under this subtitle, the Secretary may pay interest subsidies to the lenders for those portions of the loans up to the amount of the actual loss caused by the disaster, as limited under subsection (a)(1) of this section. Any such subsidy shall not exceed the difference between the interest rate being charged for loans up to the amount of the actual loss, as established under subsection (b)(1) of this section, and the maximum interest rate for

guaranteed loans, as established under subsection (b)(2) of this section.

(d) REPAYMENT.—

(1) IN GENERAL.—All loans under this subtitle shall be repayable at such times as the Secretary may determine, taking into account the purposes of the loan and the nature and effect of the disaster, but not later than as provided for loans for similar purposes under subtitles A and B of this title, and upon the full personal liability of the borrower and upon the best security available, as the Secretary may prescribe: *Provided*, That the security is adequate to assure repayment of the loans, except that if such security is not available because of the disaster, the Secretary shall (1) accept as security such collateral as is available, a portion or all of which may have depreciated in value due to the disaster and which in the opinion of the Secretary, together with the Secretary's confidence in the repayment ability of the applicant, is adequate security for the loan, and (2) make such loan repayable at such times as the Secretary may determine, not later than as provided under subtitles A and B of this title, as justified by the needs of the applicant: *Provided further*, That for any disaster occurring after January 1, 1975, the Secretary, if the loan is for a purpose described in subtitle B of this title, may make the loan repayable at the end of a period of more than seven years, but not more than twenty years, if the Secretary determines that the need of the loan applicant justifies such a longer repayment period: *Provided further*, That for any direct or insured loan (other than a guaranteed loan) approved under section 321(b) of this title, three years after the loan is made or insured, and every two years thereafter for the term of the loan, the Secretary shall review the loan; and if, based on such review, the Secretary determines that the borrower is able to obtain a loan from non-Federal sources at reasonable rates and terms for loans for similar purposes and periods of time, the borrower shall on request by the Secretary, apply for and accept such non-Federal loan in sufficient amount to repay the Secretary. If farm assets (including land, livestock, and equipment) are used as collateral to secure a loan made under this subtitle, the Secretary shall establish the value of the assets as of the day before the occurrence of the natural disaster, major disaster, or emergency that is the basis for a request for assistance under this subtitle or the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.).

(2) NO BASIS FOR DENIAL OF LOAN.—

(A) IN GENERAL.—Subject to subparagraph (B), the Secretary shall not deny a loan under this subtitle to a borrower by reason of the fact that the borrower lacks a particular amount of collateral for the loan if the Secretary is reasonably certain that the borrower will be able to repay the loan.

(B) REFUSAL TO PLEDGE AVAILABLE COLLATERAL.—The Secretary may deny or cancel a loan under this subtitle if

a borrower refuses to pledge available collateral on request by the Secretary.

(e) Any political subdivision of a State with a population of less than ten thousand inhabitants that, if such subdivision had a population of ten thousand or more inhabitants, would be eligible for a grant under the first title of the Community Emergency Drought Relief Act of 1977 shall be eligible for a grant under the Consolidated Farm and Rural Development Act during any period in which the Community Emergency Drought Relief Act of 1977 is or has been in effect.

SEC. 325. [Repealed by Public Law 95-334, Sec. 120; 92 Stat. 427.]

SEC. 327. [7 U.S.C. 1967] (a) All sums received by the Secretary from the liquidation of loans made under the provisions of this subtitle or under the Act of April 6, 1949, as amended, or the Act of August 31, 1954, and from the liquidation of any other assets acquired with money from the Emergency Credit Revolving Fund shall be added to and become a part of such fund.

(b) There are authorized to be appropriated to the Emergency Credit Revolving Fund such additional sums as the Congress shall from time to time determine to be necessary.

[SEC. 328. Repealed by Public Law 104-127, sec. 626, April 4, 1996, (110 Stat. 1092).]

SEC. 329. [7 U.S.C. 1970] The Secretary shall make financial assistance under this subtitle available to any applicant seeking assistance based on production losses if the applicant shows that a single enterprise which constitutes a basic part of the applicant's farming, ranching, or aquaculture operation has sustained at least a 30 per centum loss of normal per acre or per animal production, or such lesser per centum of loss as the Secretary may determine, as a result of the disaster based upon the average monthly price in effect for the previous year and the applicant otherwise meets the conditions of eligibility prescribed under this subtitle. Such loans shall be made available based upon 80 per centum, or such greater per centum as the Secretary may determine, of the total calculated actual production loss sustained by the applicant.

SUBTITLE D—ADMINISTRATIVE PROVISIONS

SEC. 331. (b) The Secretary may—

(1) administer his powers and duties through such national, area, State, or local offices and employees in the United States as he determines to be necessary and may authorize an office to serve the area composed of two or more States if he determines that the volume of business in the area is not sufficient to justify separate State offices, and until January 1, 1975, make contracts for services incident to making, insuring, collecting, and servicing loans and property as determined by the Secretary to be necessary for carrying out the purposes of this title; (and the Secretary shall prior to June 30, 1974, report to the Congress through the President on the experience in using such contracts, together with recommendations for such legislation as he may see fit);

In the case of a security instrument entered into under the Rural Electrification Act of 1936 (7 U.S.C. 901 et seq.), the Secretary shall notify the Attorney General of the intent of the Secretary to exercise the authority of the Secretary under this paragraph. The Secretary may not require liquidation of property securing any farmer program loan or acceleration of any payment required under any farmer program loan as a prerequisite to initiating an action authorized under this subsection. After consultation with a local or area county committee, the Secretary may release borrowers or others obligated on a debt, except for debt incurred under the Housing Act of 1949, from personal liability with or without payment of any consideration at the time of the compromise, adjustment, reduction, or charge-off of any claim, except that no compromise, adjustment, reduction, or charge-off of any claim may be made or carried out after the claim has been referred to the Attorney General, unless the Attorney General approves;

(5) except for activities conducted under the Housing Act of 1949, collect all claims and obligations administered by the Farmers Home Administration, or under any mortgage, lease, contract, or agreement entered into or administered by the Farmers Home Administration and, if in his judgment necessary and advisable, pursue the same to final collection in any court having jurisdiction;

(6) release mortgage and other contract liens if it appears that they have no present or prospective value or that their enforcement likely would be ineffectual or uneconomical;

(7) obtain fidelity bonds protecting the Government against fraud and dishonesty of officers and employees of the Farmers Home Administration in lieu of faithful performance of duties bonds under section 14, title 6, United States Code, and regulations issued pursuant thereto, but otherwise in accordance with the provisions thereof;

(9) notwithstanding that an area ceases, or has ceased, to be "rural", in a "rural area", or an eligible area, make loans and grants, and approve transfers and assumptions, under this title on the same basis as though the area still was rural in connection with property securing any loan made, insured, or held by the Secretary under this title or in connection with any property held by the Secretary under this title.

(c) The Secretary may use for the prosecution or defense of any claim or obligation described in subsection (b)(5) the Attorney General, the General Counsel of the Department of Agriculture, or a private attorney who has entered into a contract with the Secretary.

(d) RURAL COLLEGE COORDINATED STRATEGY.—

(1) IN GENERAL.—The Secretary shall develop a coordinated strategy across the relevant programs within the Rural Development mission areas to serve the specific, local needs of rural communities when making investments in rural community colleges and technical colleges through other authorities in effect on the date of enactment of this subsection.

(2) CONSULTATION.—In developing a coordinated strategy, the Secretary shall consult with groups representing rural-serving community colleges and technical colleges to coordinate critical investments in rural community colleges and technical colleges involved in workforce training.

(3) ADMINISTRATION.—Nothing in this subsection provides a priority for funding under authorities in effect on the date of enactment of this subsection.

(4) USE.—The Secretary shall use the coordinated strategy and information developed for the strategy to more effectively serve rural communities with respect to investments in community colleges and technical colleges.

(e)(1) Except as provided in paragraph (2), the Secretary may allow a recipient of a grant, loan, or loan guarantee provided by the Office of Rural Development under this title to use not more than 10 percent of the amount so provided—

(B) to construct other broadband infrastructure.

(2) Paragraph (1) of this subsection shall not apply to a recipient who is seeking to provide retail broadband service in any area where retail broadband service is available at the minimum broadband speeds, as defined under section 601(e) of the Rural Electrification Act of 1936.

(3) The Secretary shall not provide funding under paragraph (1) if the funding would result in competitive harm to any grant, loan, or loan guarantee provided under the Rural Electrification Act of 1936.

(f) ACCESS TO INFORMATION TO VERIFY INCOME FOR PARTICIPANTS IN CERTAIN RURAL HOUSING PROGRAMS.—The Secretary and the designees of the Secretary are hereby granted the same access to information and subject to the same requirements applicable to the Secretary of Housing and Urban Development as provided in section 453 of the Social Security Act (42 U.S.C. 653) and section 6103(l)(7)(D)(ix) of the Internal Revenue Code of 1986 (26 U.S.C. 6103(l)(7)(D)(ix)) to verify income for individuals participating in sections 502, 504, 521, and 542 of the Housing Act of 1949 (42 U.S.C. 1472, 1474, 1490a, and 1490r), notwithstanding section 453(l) of the Social Security Act.

SEC. 331A. [7 U.S.C. 1981a] (a) In addition to any other authority that the Secretary may have to defer principal and interest and forego foreclosure, the Secretary may permit, at the request of the borrower, the deferral of principal and interest on any outstanding loan made, insured, or held by the Secretary under this title, or under the provisions of any other law administered by the Farmers Home Administration or by the Rural Development Administration, and may forego foreclosure of any such loan, for such period as the Secretary deems necessary upon a showing by the borrower that due to circumstances beyond the borrower's control, the borrower is temporarily unable to continue making payments of such principal and interest when due without unduly impairing the standard of living of the borrower. The Secretary may permit interest that accrues during the deferral period on any loan deferred under this section to bear no interest during or after such period: *Provided*, That if the security instrument securing such loan is foreclosed such interest as is included in the purchase price at such foreclosure shall become part of the principal and draw interest from the date of foreclosure at the rate prescribed by law.

(b) MORATORIUM.—

(1) IN GENERAL.—Subject to the other provisions of this subsection, effective beginning on the date of the enactment of this subsection, there shall be in effect a moratorium, with respect to farmer program loans made under subtitle A, B, or C, on all acceleration and foreclosure proceedings instituted by the Department of Agriculture against any farmer or rancher who—

(3) TERMINATION OF MORATORIUM.—The moratorium shall terminate with respect to a claim of discrimination by a farmer or rancher on the earlier of—

(A) the date the Secretary resolves the claim; or

(B) if the farmer or rancher appeals the decision of the Secretary on the claim to a court of competent jurisdiction, the date that the court renders a final decision on the claim.

(4) FAILURE TO PREVAIL.—If a farmer or rancher does not prevail on a claim of discrimination described in paragraph (1), the farmer or rancher shall be liable for any interest and offsets that accrued during the period that loan acceleration or foreclosure proceedings have been suspended under paragraph (1).

SEC. 331E. [7 U.S.C. 1981e] PLANTING AND PRODUCTION HISTORY GUIDELINES.

(a) **IN GENERAL.**—The Secretary shall ensure that appropriate procedures, including to the extent practicable onsite inspections, or use of county or State yield averages, are used in calculating future yields for an applicant for a loan, when an accurate projection cannot be made because the applicant's past production history has been affected by natural disasters declared under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.).

(b) **CALCULATION OF YIELDS.**—

(1) **IN GENERAL.**—For purposes of averaging past yields of the farm of a borrower or applicant over a period of crop years to calculate future yields for the farm under this title (except for loans under subtitle C), the Secretary shall permit the borrower or applicant to exclude the crop year with the lowest actual or county average yield for the farm from the calculation, if the borrower or applicant was affected by a disaster during at least 2 of the crop years during the period.

(II) such time as the lands are transferred into trust pursuant to clause (viii).

(vi) At any time any real property is transferred to the Secretary of the Interior under clause (v), the Secretary of Agriculture shall be deemed to have no further responsibility under this Act for collection of any amounts with regard to the farm program loan which had been secured by such real property, nor with regard to any lien arising out of such loan transaction, nor for repayments of any amount with regard to such loan transactions or liens to the Treasury of the United States, and the Secretary of the Interior shall be deemed to have succeeded to all right, title and interest of the Secretary of Agriculture in such real estate arising from the farm program loan transaction, including the obligation to remit to the Treasury of the United States, in repayment of the original loan, those amounts provided in clause (vii).

(vii) After the payment of any taxes which are required to be paid under clause (v), all remaining rental income derived from the lease of the real property transferred to the Secretary of the Interior under clause (v), and all other income generated from the real property transferred to the Secretary of the Interior under clause (v), shall be deposited as miscellaneous receipts in the Treasury of the United States until the amount deposited is equal to the lesser of—

(I) the amount of the outstanding lien of the United States against such real property, as of the date the real property was acquired by the Secretary;

(II) the fair market value of the real property, as of the date of the transfer to the Secretary of the Interior; or

(III) the capitalized value of the real property, as of the date of the transfer to the Secretary of the Interior.

(viii) When the total amount that is required to be deposited under clause (vii) with respect to any real property has been deposited into the Treasury of the United States, title to the real property shall be held in trust by the United States for the benefit of the Indian tribe having jurisdiction over the Indian reservation within which the real property is located.

(ix) Notwithstanding any other clause of this subparagraph, the Indian tribe having jurisdiction over the Indian reservation within which the real property described in clause (i) is located may, at any time after the real property has been transferred to the Secretary of the Interior under clause (v), offer to pay the remaining amount on the lien, or the fair market value of the real property, whichever is less. Upon payment of such amount, title to

such real property shall be held by the United States in trust for the tribe and such trust or restricted lands that have been acquired by the Secretary under foreclosure or voluntary transfer under a loan made or insured under this title and transferred to an Indian person, entity, or tribe under the provisions of this subparagraph shall be deemed to have never lost trust or restricted status.

(x) This subparagraph shall apply to all lands in the land inventory established under this title (as of the date of enactment of this clause) that were (immediately prior to such date) owned by an Indian borrower-owner described in clause (i) and that are situated within an Indian reservation (as defined in clause (ii)), regardless of the date of foreclosure or acquisition by the Secretary. The Secretary shall afford an opportunity to a tribal member, an Indian corporate entity, or the tribe to purchase or lease the real property as provided in clause (iii). If the right is not exercised or no expression of intent to exercise such right is received within 180 days after the date of enactment of this clause, the Secretary shall transfer the real property to the Secretary of the Interior as provided in clause (v).

(B) The rights provided in this subsection shall be in addition to any such right of first refusal under the law of the State in which the property is located.

(C) As used in this paragraph, the term "borrower-owner" means—

(i) a borrower from whom the Secretary acquired real farm or ranch property (including the principal residence of the borrower) used to secure any loan made to the borrower under this title; or

(ii) in any case in which an owner of property pledged the property to secure the loan and the owner is different than the borrower, the owner.

(D)(i) If—

(I) the real property described in subparagraph (A)(i) is located within an Indian reservation;

(II) the borrower-owner is an Indian tribe that has jurisdiction over the reservation in which the real property is located or the borrower-owner is a member of an Indian tribe;

(III) the borrower-owner has obtained a loan made, insured, or guaranteed under this title; and

(IV) the borrower-owner and the Secretary have exhausted all of the procedures provided for in this title to permit a borrower-owner to retain title to the real property, such that it is necessary for the borrower-owner to relinquish title, the Secretary shall dispose of or administer the property only as provided in subparagraph (A), as modified by this subparagraph.

(ii) The Secretary shall provide the borrower-owner of real property that is described in clause (i) with written notice of—

(I) the right of the borrower-owner to voluntarily convey the real property to the Secretary; and

(II) the fact that real property so conveyed will be placed in the inventory of the Secretary.

(iii) The Secretary shall provide the borrower-owner of the real property with written notice of the rights and protections provided under this title to the borrower-owner, and the Indian tribe that

has jurisdiction over the reservation in which the real property is located, from foreclosure or liquidation of the real property, including written notice of—

(I) the provisions of subparagraph (A), this subparagraph, and subsection (g)(6);

(II) if the borrower-owner does not voluntarily convey the real property to the Secretary, that—

(aa) the Secretary may foreclose on the property;

(bb) in the event of foreclosure, the property will be offered for sale;

(cc) the Secretary must offer a bid for the property that is equal to the fair market value of the property or the outstanding principal and interest of the loan, whichever is higher;

(dd) the property may be purchased by another party; and

(ee) if the property is purchased by another party, the property will not be placed in the inventory of the Secretary and the borrower-owner will forfeit the rights and protections provided under this title; and

(III) the opportunity of the borrower-owner to consult with the Indian tribe that has jurisdiction over the reservation in which the real property is located or counsel to determine if State or tribal law provides rights and protections that are more beneficial than those provided the borrower-owner under this title.

(iv)(I) Except as provided in subclause (II), the Secretary shall accept the voluntary conveyance of real property described in clause (i).

(II) If a hazardous substance (as defined in section 101(14) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9601(14))) is located on the property and the Secretary takes remedial action to protect human health or the environment if the property is taken into inventory, the Secretary shall accept the voluntary conveyance of the property only if the Secretary determines that it is in the best interests of the Federal Government.

(v) FORECLOSURE PROCEDURES.—

(I) NOTICE TO BORROWER.—If an Indian borrower-owner does not voluntarily convey to the Secretary real property described in clause (i), not less than 30 days before a foreclosure sale of the property, the Secretary shall provide the Indian borrower-owner with the option of—

(aa) requiring the Secretary to assign the loan and security instruments to the Secretary of the Interior, if the Secretary of the Interior agrees to an assignment releasing the Secretary of Agriculture from all further responsibility for collection of any amounts with regard to the loan secured by the real property; or

(bb) requiring the Secretary to assign the loan and security instruments to the tribe

having jurisdiction over the reservation in which the real property is located, if the tribe agrees to the assignment.

(II) NOTICE TO TRIBE.—If an Indian borrower-owner does not voluntarily convey to the Secretary real property described in clause (i), not less than 30 days before a foreclosure sale of the property, the Secretary shall provide written notice to the Indian tribe that has jurisdiction over the reservation in which the real property is located of—

(aa) the sale;

(bb) the fair market value of the property;

and

(cc) the requirements of this subparagraph.

(III) ASSUMED LOANS.—If an Indian tribe assumes a loan under subclause (I)—

(aa) the Secretary shall not foreclose the loan because of any default that occurred prior to the date of the assumption;

(bb) the loan shall be for the lesser of the outstanding principal and interest of the loan or the fair market value of the property; and

(cc) the loan shall be treated as though the loan was made under Public Law 91-229 (25 U.S.C. 488 et seq.).

(vi)(I) Except as provided in subclause (II), at a foreclosure sale of real property described in clause (i), the Secretary shall offer a bid for the property that is equal to the higher of—

(aa) the fair market value of the property; or

(bb) the outstanding principal and interest of the loan.

(II) If a hazardous substance (as defined in section 101(14) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9601(14))) is located on the property and the Secretary takes remedial action to protect human health or the environment if the property is taken into inventory, subclause (I) shall apply only if the Secretary determines that it is in the best interests of the Federal Government.

(2) The Secretary shall not offer for sale or sell any such farmland if the placing of such farmland on the market will have a detrimental effect on the value of farmland in the area.

(3)(A) The Secretary may sell farmland administered under this title through an installment sale or similar device that contains such terms as the Secretary considers necessary to protect the investment of the Federal Government in such land.

(B) The Secretary may subsequently sell any contract entered into to carry out subparagraph (A).

(4) In the case of farmland administered under this title that is highly erodible land (as defined in section 1201 of the Food Security Act of 1985), the Secretary may require the use of specified conservation practices on such land as a condition of the sale or lease of such land.

(5) Notwithstanding any other provisions of law, compliance by the Secretary with this subsection shall not cause any acreage al-

lotment, marketing quota, or acreage base assigned to such property to lapse, terminate, be reduced, or otherwise be adversely affected.

(6) In the event of any conflict between any provision of this subsection and any provision of the law of any State providing a right of first refusal to the owner of farmland or the operator of a farm before the sale or lease of land to any other person, such provision of State law shall prevail.

(f)(1) As used in this subsection, the term "normal income security" means all security not considered basic security, including crops, livestock, poultry products, Agricultural Stabilization and Conservation Service payments and Commodity Credit Corporation payments, and other property covered by Farmers Home Administration liens that is sold in conjunction with the operation of a farm or other business, but shall not include any equipment (including fixtures in States that have adopted the Uniform Commercial Code), or foundation herd or flock, that is the basis of the farming or other operation, and is the basic security for a Farmers Home Administration farmer program loan.

(2) The Secretary shall release from the normal income security provided for such loan an amount sufficient to pay for the essential household and farm operating expenses of the borrower, until such time as the Secretary accelerates such loan.

(3) A borrower whose account was accelerated on or after November 1, 1985, and on or before May 7, 1987, but not thereafter foreclosed on or liquidated, shall be entitled to the release of security income for a period of 12 months, to pay the essential household and farm operating expenses of such borrower in an amount not to exceed \$18,000 over 12 months, if such borrower—

(A) as of October 30, 1987, continued to be actively engaged in the farming operations for which the Secretary had made the farmer program loan; and

(B) as of the deadline for responding to the notice provided for under paragraph (5), requests restructuring of such loans pursuant to section 353.

(4) The county committee in the county in which borrower's land is located shall determine whether the borrower has complied with the requirements of paragraph (3)(A).

(5)(A) Within 45 days after the date of the enactment of this subsection, the Secretary shall provide to the borrowers described in paragraph (3) notice by certified mail of the right of such borrowers to apply for the benefits under such paragraph.

(B) Releases under such paragraph shall be made to qualified borrowers who have responded to the notice within 30 days after receipt.

(C) Within 12 months after a borrower has requested restructuring under section 353, the Secretary shall make a final determination on the request. Notwithstanding the 12-month limitation provided for in paragraph (3), releases shall continue to be made to the borrower until a denial or dismissal of the application of the borrower for restructuring under section 353 is made. The amount of essential household and farm operating expenses which may be released to any borrower eligible for such releases after 12 months may exceed \$18,000, by an amount proportionate to the period of

time beyond 12 months before a final determination is made by the Secretary.

(6) If a borrower is required to plan for or to report on how proceeds from the sale of collateral property will be used, the Secretary shall—

(A) notify the borrower of such requirement; and

(B) notify the borrower of the right to the release of funds under this section and the means by which a request for the funds may be made.

(7) The Secretary shall issue regulations consistent with this section that—

(A) ensure the release of funds to each borrower; and

(B) establish guidelines for releases under paragraph (3), including a list of expenditures for which funds will normally be released.

(g) EASEMENTS ON INVENTORIED PROPERTY.—

(1) IN GENERAL.—Subject to paragraph (2), in the disposal of real property under this section, the Secretary shall establish perpetual wetland conservation easements to protect and restore wetlands or converted wetlands that exist on inventoried property.

(2) LIMITATION.—The Secretary shall not establish a wetland conservation easement on an inventoried property that—

(A) was cropland on the date the property entered the inventory of the Secretary; or

(B) was used for farming at any time during the period beginning on the date 5 years before the property entered the inventory of the Secretary and ending on the date the property entered the inventory of the Secretary.

(3) NOTIFICATION.—The Secretary shall provide prior written notification to a borrower considering preservation loan servicing that a wetlands conservation easement may be placed on land for which the borrower is negotiating a lease option.

(4) APPRAISED VALUE.—The appraised value of the farm shall reflect the value of the land due to the placement of wetland conservation easements.

SEC. 336. [7 U.S.C. 1986] (a) No officer, attorney, or other employee of the Secretary shall, directly or indirectly, be the beneficiary of or receive any fee, commission, gift, or other consideration for or in connection with any transaction or business under this title other than such salary, fee, or other compensation as he may receive as such officer, attorney, or employee.

(b) Except as otherwise provided in this subsection, no officer or employee of the Department of Agriculture who acts on or reviews an application made by any person under this title for a loan to purchase land may acquire, directly or indirectly, any interest in such land for a period of three years after the date on which such action is taken or such review is made. This prohibition shall not apply to a former member of a county committee upon a determination by the Secretary, prior to the acquisition of such interest, that such former member acted in good faith when acting on or reviewing such application.

(c) No member of a county committee shall knowingly make or join in making any certification with respect to a loan to purchase

any land in which he or any person related to him within the second degree of consanguinity or affinity has or may acquire any interest or with respect to any applicant related to him within the second degree of consanguinity or affinity.

(d) Any person violating any provision of this section shall, upon conviction thereof, be punished by a fine of not more than \$2,000 or imprisonment for not more than two years, or both.

SEC. 337. [7 U.S.C. 1987] (a) The Secretary may provide voluntary debt adjustment assistance between farmers and their creditors and may cooperate with State, territorial, and local agencies and committees engaged in such debt adjustment, and may give credit counseling.

(b)(1) As used in this subsection, the term "summary period" means—

(A) the period beginning on the date of enactment of the Food Security Act of 1985 and ending on the date on which the first loan summary statement is issued after such date of enactment; or

(B) the period beginning on the date of issuance of the preceding loan summary statement and ending on the date of issuance of the current loan summary statement.

(2) On the request of a borrower of a loan made or insured (but not guaranteed) under this title, the Secretary shall issue to such borrower a loan summary statement that reflects the account activity during the summary period for each loan made or insured under this title to such borrower, including—

(A) the outstanding amount of principal due on each such loan at the beginning of the summary period;

(B) the interest rate charged on each such loan;

(C) the amount of payments made on and their application to each such loan during the summary period and an explanation of the basis for the application of such payments;

(D) the amount of principal and interest due on each such loan at the end of the summary period;

(E) the total amount of unpaid principal and interest on all such loans at the end of the summary period;

(F) any delinquency in the repayment of any such loan;

(G) a schedule of the amount and date of payments due on each such loan; and

(H) the procedure the borrower may use to obtain more information concerning the status of such loans.

SEC. 338. [7 U.S.C. 1988] (a) There is authorized to be appropriated to the Secretary such sums as the Congress may from time to time determine to be necessary to enable the Secretary to carry out the purposes of this title and for the administration of assets transferred to the Farmers Home Administration or the Rural Development Administration.

(b)(1)(A) The guaranteed portion of any loan made under this title may be sold by the lender, and by any subsequent holder, in accordance with regulations governing such sales as the Secretary shall establish, subject to the following limitations:

(i) All fees due the Secretary with respect to a guaranteed loan are to be paid in full before any sale.

(ii) The loan is to have been fully disbursed to the borrower before the sale.

(B) After a loan is sold in the secondary market, the lender shall remain obligated under its guarantee agreement with the Secretary, and shall continue to service the loan in accordance with the terms and conditions of such agreement.

(C) The Secretary shall develop such procedures as are necessary for the facilitation, administration, and promotion of secondary market operations, and for determining the increase of farmers' access to capital at reasonable rates and terms as a result of secondary market operations.

(D) This subsection shall not be interpreted to impede or extinguish the right of the borrower or the successor in interest to such borrower to prepay (in whole or in part) any loan made under this title, or to impede or extinguish the rights of any party under any provision of this title.

(2)(A) The Secretary may, directly or through a market maker approved by the Secretary, issue pool certificates representing ownership of part or all of the guaranteed portion of any loan guaranteed by the Secretary under this title. Such certificates shall be based on and backed by a pool established or approved by the Secretary and composed solely of the entire guaranteed portion of such loans.

(B) The Secretary may, on such terms and conditions as the Secretary deems appropriate, guarantee the timely payment of the principal and interest on pool certificates issued on behalf of the Secretary by approved market makers for purposes of this subsection. Such guarantee shall be limited to the extent of principal and interest on the guaranteed portions of loans that compose the pool. If a loan in such pool is prepaid, either voluntarily or by reason of default, the guarantee of timely payment of principal and interest on the pool certificates shall be reduced in proportion to the amount of principal and interest such prepaid loan represents in the pool. Interest on prepaid or defaulted loans shall accrue and be guaranteed by the Secretary only through the date of payment on the guarantee. During the term of the pool certificate, the certificate may be called for redemption due to prepayment or default of all loans constituting the pool.

(C) The full faith and credit of the United States is pledged to the payment of all amounts that may be required to be paid under any guarantee of such pool certificates issued by approved market makers under this subsection. The Secretary may expend amounts in the Agricultural Credit Insurance Fund to make payments on such guarantees.

(D) The Secretary shall not collect any fee for any guarantee under this subsection. The preceding sentence shall not preclude the Secretary from collecting a fee for the functions described in paragraph (3).

(E) Within 30 days after a borrower of a guaranteed loan is in default of any principal or interest payment due for 60 days or more, the Secretary shall—

(i) purchase the pool certificates representing ownership of the guaranteed portion of the loan; and

(ii) pay the registered holder of the certificates an amount equal to the guaranteed portion of the loan represented by the certificate.

(F)(i) If the Secretary pays a claim under a guarantee issued under this subsection, the claim shall be subrogated fully to the rights satisfied by such payment, as may be provided by the Secretary.

(ii) No State or local law, and no Federal law, shall preclude or limit the exercise by the Secretary of the Secretary's ownership rights in the portions of loans constituting the pool against which the certificates are issued.

(3) On the adoption of final rules and regulations, the Secretary shall do the following:

(A) Provide for the central collection of registration information from all participating market makers for all loans and pool certificates sold under paragraphs (1) and (2). Such information shall include, with respect to each original sale and any subsequent sale, identification of the interest rate paid by the borrower to the lender, the lender's servicing fee, whether interest on the loan is at a fixed or variable rate, identification of each purchaser of a pool certificate, the interest rate paid on the certificate, and such other information as the Secretary deems appropriate.

(B) Before any sale, require the seller to disclose to each prospective purchaser of the portion of a loan guaranteed under this title and to each prospective purchaser of a pool certificate issued under paragraph (2), information on the terms, conditions, and yield of such instrument. As used in this subparagraph, if the instrument being sold is a loan, the term "seller" does not include (i) the person who made the loan or (ii) any person who sells three or fewer guaranteed loans per year.

(C) Provide for adequate custody of any pooled guaranteed loans.

(D) Take such actions as are necessary, in restructuring pools of the guaranteed portion of loans, to minimize the estimated costs of paying claims under guarantees issued under this subsection.

(E) Require each market maker—

(i) to service all pools formed, and participations sold, by the market maker; and

(ii) to provide the Secretary with information relating to the collection and disbursement of all periodic payments, prepayments, and default funds from lenders, to or from the reserve fund that the Secretary shall establish to enable the timely payment guarantee to be self-funding, and from all beneficial holders.

(F) Regulate market makers in pool certificates sold under this subsection.

(4) The Secretary may contract for goods and services to be used for the purposes of this subsection without regard to the provisions of titles 5, 40, and 41, United States Code, and any regulations issued thereunder.

SEC. 339. [7 U.S.C. 1989] RULES AND REGULATIONS.

(a) **IN GENERAL.**—The Secretary is authorized to make such rules and regulations, prescribe the terms and conditions for making or insuring loans, security instruments and agreements, except as otherwise specified herein, and make such delegations of authority as he deems necessary to carry out this title.

(b) **DEBT SERVICE MARGIN REQUIREMENTS.**—Notwithstanding subsection (a), in providing farmer program loan guarantees under this title, the Secretary shall consider the income of the borrower adequate if the income is equal to or greater than the income necessary—

(1) to make principal and interest payments on all debt obligations of the borrower, in a timely manner;

(2) to cover the necessary living expenses of the family of the borrower; and

(3) to pay all other obligations and expenses of the borrower not financed through debt obligations referred to in paragraph (1).

(1) **IN GENERAL.**—The Secretary shall establish a program under which the Secretary shall guarantee loans for any purpose specified in subtitle B that are made by lending institutions certified by the Secretary.

(2) **CERTIFICATION REQUIREMENTS.**—The Secretary shall certify a lending institution that meets such criteria as the Secretary may prescribe in regulations, including the ability of the institution to properly make, service, and liquidate the loans of the institution.

(3) **CONDITION OF CERTIFICATION.**—As a condition of the certification, the Secretary shall require the institution to undertake to service the loans guaranteed by the Secretary under this subsection, using standards that are not less stringent than generally accepted banking standards concerning loan servicing employed by prudent commercial or cooperative lenders. The Secretary shall, at least annually, monitor the performance of each certified lender to ensure that the conditions of the certification are being met.

(4) **EFFECT OF CERTIFICATION.**—Notwithstanding any other provision of law:

(A) The Secretary shall guarantee 80 percent of a loan made under this subsection by a certified lending institution as described in paragraph (1), subject to county committee certification that the borrower of the loan meets the eligibility requirements and such other criteria as may be applicable to loans guaranteed by the Secretary under other provisions of this title.

(B) With respect to loans to be guaranteed by the Secretary under this subsection, the Secretary shall permit certified lending institutions to make appropriate certifications (as provided by regulations issued by the Secretary)—

(i) relating to issues such as creditworthiness, repayment ability, adequacy of collateral, and feasibility of farm operation; and

(ii) that the borrower is in compliance with all requirements of law, including regulations issued by the Secretary.

(C) The Secretary shall approve or disapprove a guarantee not later than 14 calendar days after the date that the lending institution applied to the Secretary for the guarantee. If the Secretary rejects the loan application within the 14-day period, the Secretary shall state, in writing, all of the reasons the application was rejected.

(5) RELATIONSHIP TO OTHER REQUIREMENTS.—Neither this subsection nor subsection (d) shall affect the responsibility of the Secretary to certify eligibility, review financial information, and otherwise assess an application.

(d) PREFERRED CERTIFIED LENDERS PROGRAM.—

(1) IN GENERAL.—Commencing not later than two years after the date of enactment of the Agricultural Credit Improvement Act of 1992, the Secretary shall establish a Preferred Certified Lenders Program for lenders who establish their—

(A) knowledge of, and experience under, the program established under subsection (c);

(B) knowledge of the regulations concerning the guaranteed loan program; and

(C) proficiency related to the certified lender program requirements.

The Secretary shall certify any lending institution as a Preferred Certified Lender that meets such criteria as the Secretary may prescribe by regulation.

(2) REVOCATION OF DESIGNATION.—The designation of a lender as a Preferred Certified Lender shall be revoked at any time that the Secretary determines that such lender is not adhering to the rules and regulations applicable to the program or if the loss experiences of a Preferred Certified Lender are excessive as compared to other Preferred Certified Lenders, except that such suspension or revocation shall not affect any outstanding guarantee.

(3) CONDITION OF CERTIFICATION.—As a condition of such preferred certification, the Secretary shall require the institution to undertake to service the loans guaranteed by the Secretary under this subsection using generally accepted banking standards concerning loan servicing employed by prudent commercial or cooperative lenders. The Secretary shall, at least annually, monitor the performance of each Preferred Certified Lender to ensure that the conditions of such certification are being met.

(4) EFFECT OF PREFERRED LENDER CERTIFICATION.—Notwithstanding any other provision of law, the Secretary shall—

(A) guarantee 80 percent of an approved loan made by a certified lending institution as described in this subsection, subject to county committee certification that the borrower meets the eligibility requirements or such other criteria as may be applicable to loans guaranteed by the Secretary under other provisions of this title;

(B) permit certified lending institutions to make all decisions, with respect to loans to be guaranteed by the

Secretary under this subsection relating to credit worthiness, the closing, monitoring, collection and liquidation of loans, and to accept appropriate certifications, as provided by regulations issued by the Secretary, that the borrower is in compliance with all requirements of law or regulations promulgated by the Secretary; and

(C) be deemed to have guaranteed 80 percent of a loan made by a preferred certified lending institution as described in paragraph (1), if the Secretary fails to approve or reject the application of such institution within 14 calendar days after the date that the lending institution presented the application to the Secretary. If the Secretary rejects the application within the 14-day period, the Secretary shall state, in writing, the reasons the application was rejected.

(e) ADMINISTRATION OF CERTIFIED LENDERS AND PREFERRED CERTIFIED LENDERS PROGRAMS.—The Secretary may administer the loan guarantee programs under subsections (c) and (d) through central offices established in States or in multi-State areas.

(D) have continuously occupied the homestead property during the 6-year period described in subparagraph (B), except that such requirement may be waived if a borrower-owner has, due to circumstances beyond the control of the borrower-owner, had to leave the homestead property for a period of time not to exceed 12 months during the 6-year period;

(E) during the period of the occupancy of the homestead property, pay a reasonable sum as rent for such property to the Secretary or the Administrator in an amount substantially

equivalent to rents charged for similar residential properties in the area in which the homestead property is located;

(F) during the period of the occupancy of the homestead property, maintain the property in good condition; and

(G) meet such other reasonable and necessary terms and conditions as the Secretary may require consistent with this section.

(2) For purposes of subparagraphs (B) and (C) of paragraph (1), the term “farming or ranching operations” shall include rent paid by lessees of agricultural land during any period in which the borrower-owner, due to circumstances beyond the control of the borrower-owner, is unable to actively farm such land.

(3) For the purposes of paragraph (1)(E), the failure of the borrower-owner to make timely rental payments shall constitute cause for the termination of all rights of such borrower-owner to possession and occupancy of the homestead property under this section. In effecting any such termination, the Secretary shall afford the borrower-owner or lessee the notice and hearing procedural rights described in section 333B and shall comply with all applicable State and local laws governing eviction from residential property.

(4)(A) The period of occupancy allowed the prior owner of homestead property under this section shall be the period requested in writing by the prior owner, except that such period shall not exceed 5 years.

(B) At any time during the period of occupancy of a borrower-owner who is a socially disadvantaged farmer or rancher (as defined in section 355(e)(2)), the borrower-owner or a member of the immediate family of the borrower-owner shall have a right of first refusal to reacquire the homestead property on such terms and conditions as the Secretary shall determine, except that the Secretary may not demand a payment for the homestead property that is in excess of the current market value of the homestead property as established by an independent appraisal. The independent appraisal shall be conducted by an appraiser selected by the borrower-owner or immediate family member, as the case may be, from a list of three appraisers approved by the county supervisor.

(5) No rights of a borrower-owner under this section, and no agreement entered into between the borrower-owner and the Secretary for occupancy of the homestead property, shall be transferable or assignable by the borrower-owner or by operation of any law, except that in the case of death or incompetency of such borrower-owner, such rights and agreements shall be transferable to the spouse of the borrower-owner if the spouse agrees to comply with the terms and conditions thereof.

(6) Not later than the date of acquisition of the property securing a loan made under this title (or, in the case of real property in inventory on the date of enactment of the Federal Agriculture Improvement and Reform Act of 1996, not later than 5 days after the date of enactment of the Act), the Secretary shall notify the borrower-owner from whom the property was acquired of the availability of homestead protection rights under this section.

(d) At the end of the period of occupancy described in subsection (c), the Secretary or the Administrator shall grant to the borrower-owner a first right of refusal to reacquire the homestead

property on such terms and conditions (which may include payment of principal in installments) as the Secretary or the Administrator shall determine. Such terms and conditions shall not be less favorable than those intended to be offered to any other buyer.

(e) At the time any reacquisition agreement is entered into, the Secretary or the Administrator may not demand a total payment of principal that is in excess of the value of the homestead property as established under subsection (b)(2).

(f) The Secretary may enter into contracts authorized by this section before the Secretary acquires title to the homestead property.

(g) In the event of any conflict between this section and any provision of the law of any State relating to the right of a borrower-owner to designate for separate sale or redeem part or all of the real property securing a loan foreclosed on by the lender thereof, such provision of State law shall prevail.

SEC. 353. [7 U.S.C. 2001] DEBT RESTRUCTURING AND LOAN SERVICING.

(a) IN GENERAL.—The Secretary shall modify delinquent farmer program loans made or insured under this title, or purchased from the lender or the Federal Deposit Insurance Corporation under section 309B, to the maximum extent possible—

(1) to avoid losses to the Secretary on such loans, with priority consideration being placed on writing-down the loan principal and interest (subject to subsections (d) and (e)), and debt set-aside (subject to subsection (e)), whenever these procedures would facilitate keeping the borrower on the farm or ranch, or otherwise through the use of primary loan service programs as provided in this section; and

(2) to ensure that borrowers are able to continue farming or ranching operations.

(b) ELIGIBILITY.—To be eligible to obtain assistance under subsection (a)—

(1) the delinquency must be due to circumstances beyond the control of the borrower, as defined in regulations issued by the Secretary, except that the regulations shall require that, if the value of the assets calculated under subsection (c)(2)(A)(ii) that may be realized through liquidation or other methods would produce enough income to make the delinquent loan current, the borrower shall not be eligible for assistance under subsection (a);

(2) the borrower must have acted in good faith with the Secretary in connection with the loan as defined in regulations issued by the Secretary;

(3) the borrower must present a preliminary plan to the Secretary that contains reasonable assumptions that demonstrate that the borrower will be able to—

(A) meet the necessary family living and farm operating expenses; and

(B) service all debts, including those of the loans restructured; and

(4) the loan, if restructured, must result in a net recovery to the Federal Government, during the term of the loan as restructured, that would be more than or equal to the net recov-

ery to the Federal Government from an involuntary liquidation or foreclosure on the property securing the loan.

(c) RESTRUCTURING DETERMINATIONS.—

(1) DETERMINATION OF NET RECOVERY.—In determining the net recovery from the involuntary liquidation of a loan under this section, the Secretary shall calculate—

(A) the recovery value of the collateral securing the loan, in accordance with paragraph (2); and

(B) the value of the restructured loan, in accordance with paragraph (3).

(2) RECOVERY VALUE.—For the purpose of paragraph (1), the recovery value of the collateral securing the loan shall be based on—

(A)(i) the amount of the current appraised value of the interests of the borrower in the property securing the loan; plus

(ii) the value of the interests of the borrower in all other assets that are—

(I) not essential for necessary family living expenses;

(II) not essential to the operation of the farm; and

(III) not exempt from judgment creditors or in a bankruptcy action under Federal or State law; less

(B) the estimated administrative, legal, and other expenses associated with the liquidation and disposition of the loan and collateral, including—

(i) the payment of prior liens;

(ii) taxes and assessments, depreciation, management costs, the yearly percentage decrease or increase in the value of the property, and lost interest income, each calculated for the average holding period for the type of property involved;

(iii) resale expenses, such as repairs, commissions, and advertising; and

(iv) other administrative and attorney's costs; plus.

(C) the value, as determined by the Secretary, of any property not included in subparagraph (A)(i) if the property is specified in any security agreement with respect to such loan and the Secretary determines that the value of such property should be included for purposes of this section.

(3) VALUE OF THE RESTRUCTURED LOAN.—

(A) IN GENERAL.—For the purpose of paragraph (1), the value of the restructured loan shall be based on the present value of payments that the borrower would make to the Federal Government if the terms of such loan were modified under any combination of primary loan service programs to ensure that the borrower is able to meet such obligations and continue farming operations.

(B) PRESENT VALUE.—For the purpose of calculating the present value referred to in subparagraph (A), the Secretary shall use a discount rate of not more than the current rate on 90-day Treasury bills.

(C) CASH FLOW MARGIN.—For the purpose of assessing under subparagraph (A) the ability of a borrower to meet debt obligations and continue farming operations, the Secretary shall assume that the borrower needs up to 110 percent of the amount indicated for payment of farm operating expenses, debt service obligations, and family living expenses.

(4) NOTIFICATION.—Within 90 days after receipt of a written request for restructuring from the borrower, the Secretary shall—

(A) make the calculations specified in paragraphs (2) and (3);

(B) notify the borrower in writing of the results of such calculations; and

(C) provide documentation for the calculations.

(5) RESTRUCTURING OF LOANS.—If the value of the restructured loan is greater than or equal to the recovery value, the Secretary shall, within 45 days after notifying the borrower of such calculations, offer to restructure the loan obligations of the borrower under this title through primary loan service programs that would enable the borrower to meet the obligations (as modified) under the loan and to continue the farming operations of the borrower. If the borrower accepts such offer, within 45 days after receipt of notice of acceptance, the Secretary shall restructure the loan accordingly.

(6) TERMINATION OF LOAN OBLIGATIONS.—The obligations of a borrower to the Secretary under a loan shall terminate if—

(A) the borrower satisfies the requirements of paragraphs (1) and (2) of subsection (b);

(B) the value of the restructured loan is less than the recovery value; and

(C) not later than 90 days after receipt of the notification described in paragraph (4)(B), the borrower pays (or obtains third-party financing to pay) the Secretary an amount equal to the current market value.

(7) NEGOTIATION OF APPRAISAL.—

(A) IN GENERAL.—In making a determination concerning restructuring under this subsection, the Secretary, at the request of the borrower, shall enter into negotiations concerning appraisals required under this subsection with the borrower.

(B) INDEPENDENT APPRAISAL.—If the borrower, based on a separate current appraisal, objects to the decision of the Secretary regarding an appraisal, the borrower and the Secretary shall mutually agree, to the extent practicable, on an independent appraiser who shall conduct another appraisal of the borrower's property. The average of the two appraisals that are closest in value shall become the final appraisal under this paragraph. The borrower and the Secretary shall each pay one-half of the cost of the independent appraisal.

(d) PRINCIPAL AND INTEREST WRITE-DOWN.—

(1) IN GENERAL.—

(A) PRIORITY CONSIDERATION.—In selecting the restructuring alternatives to be used in the case of a borrower who has requested restructuring under this section, the Secretary shall give priority consideration to the use of principal and interest write-down, except that this procedure shall not be given first priority in the case of a borrower unless other creditors of such borrower (other than those creditors who are fully collateralized) representing a substantial portion of the total debt of the borrower held by such creditors, agree to participate in the development of the restructuring plan or agree to participate in a State mediation program.

(B) FAILURE OF CREDITORS TO AGREE.—Failure of creditors to agree to participate in the restructuring plan or mediation program shall not preclude the use of principal and interest write-down by the Secretary if the Secretary determines that this restructuring alternative results in the least cost to the Secretary.

(2) PARTICIPATION OF CREDITORS.—Before eliminating the option to use debt write-down in the case of a borrower, the Secretary shall make a reasonable effort to contact the creditors of such borrower, either directly or through the borrower, and encourage such creditors to participate with the Secretary in the development of a restructuring plan for the borrower.

(e) SHARED APPRECIATION ARRANGEMENTS.—

(1) IN GENERAL.—As a condition of restructuring a loan in accordance with this section, the borrower of the loan may be required to enter into a shared appreciation arrangement that requires the repayment of amounts written off or set aside.

(2) TERMS.—Shared appreciation agreements shall have a term not to exceed 10 years, and shall provide for recapture based on the difference between the appraised values of the real security property at the time of restructuring and at the time of recapture.

(3) PERCENTAGE OF RECAPTURE.—The amount of the appreciation to be recaptured by the Secretary shall be 75 percent of the appreciation in the value of such real security property if the recapture occurs within 4 years of the restructuring, and 50 percent if the recapture occurs during the remainder of the term of the agreement.

(4) TIME OF RECAPTURE.—Recapture shall take place at the end of the term of the agreement, or sooner—

- (A) on the conveyance of the real security property;
- (B) on the repayment of the loans; or
- (C) if the borrower ceases farming operations.

(5) TRANSFER OF TITLE.—Transfer of title to the spouse of a borrower on the death of such borrower shall not be treated as a conveyance for the purpose of paragraph (4).

(6) NOTICE OF RECAPTURE.—Beginning with fiscal year 2000 not later than 12 months before the end of the term of a shared appreciation arrangement, the Secretary shall notify the borrower involved of the provisions of the arrangement.

(7) FINANCING OF RECAPTURE PAYMENT.—

- (A) IN GENERAL.—The Secretary may amortize a recapture payment owed to the Secretary under this subsection.
- (B) TERM.—The term of an amortization under this paragraph may not exceed 25 years.
- (C) INTEREST RATE.—
- (i) IN GENERAL.—The interest rate applicable to an amortization under this paragraph may not exceed the rate applicable to a loan to reacquire homestead property less 100 basis points.
- (ii) EXISTING AMORTIZATIONS AND LOANS.—The interest rate applicable to an amortization or loan made by the Secretary before the date of enactment of this paragraph to finance a recapture payment owed to the Secretary under this subsection may not exceed the rate applicable to a loan to reacquire homestead property less 100 basis points.
- (D) REAMORTIZATION.—
- (i) IN GENERAL.—The Secretary may modify the amortization of a recapture payment referred to in subparagraph (A) of this paragraph on which a payment has become delinquent by using loan service tools under section 343(b)(3) if—
- (I) the default is due to circumstances beyond the control of the borrower; and
- (II) the borrower acted in good faith (as determined by the Secretary) in attempting to repay the recapture amount.
- (ii) LIMITATIONS.—
- (I) TERM OF REAMORTIZATION.—The term of a reamortization under this subparagraph may not exceed 25 years from the date of the original amortization agreement.
- (II) NO REDUCTION OR PRINCIPAL OR UNPAID INTEREST DUE.—A reamortization of a recapture payment under this subparagraph may not provide for reducing the outstanding principal or unpaid interest due on the recapture payment.
- (f) DETERMINATION TO RESTRUCTURE.—If the appeal process results in a determination that a loan is eligible for restructuring, the Secretary shall restructure the loan in the manner consistent with this section, taking into consideration the restructuring recommendations, if any, of the appeals officer.
- (g) PREREQUISITES TO FORECLOSURE OR LIQUIDATION.—No foreclosure or other similar actions shall be taken to liquidate any loan determined to be ineligible for restructuring by the Secretary under this section—
- (1) until the borrower has been given the opportunity to appeal such decision; and
- (2) if the borrower appeals, the appeals process has been completed, and a determination has been made that the loan is ineligible for restructuring.
- (h) TIME LIMITS FOR RESTRUCTURING.—Once an appeal has been filed under section 333B, a decision shall be made at each

level in the appeals process within 45 days after the receipt of the appeal or request for further review.

(i) NOTICE OF INELIGIBILITY FOR RESTRUCTURING.—

(1) IN GENERAL.—A notice of ineligibility for restructuring shall be sent to the borrower by registered or certified mail within 15 days after such determination.

(2) CONTENTS.—The notice required under paragraph (1) shall contain—

(A) the determination and the reasons for the determination;

(B) the computations used to make the determination, including the calculation of the recovery value of the collateral securing the loan; and

(C) a statement of the right of the borrower to appeal the decision to the appeals division, and to appear before a hearing officer.

(j) INDEPENDENT APPRAISALS.—An appeal filed with the appeals division under section 333B may include a request by the borrower for an independent appraisal of any property securing the loan. On such request, the appeals division shall present the borrower with a list of three appraisers approved by the county supervisor, from which the borrower shall select an appraiser to conduct the appraisal, the cost of which shall be borne by the borrower. The results of such appraisal shall be considered in any final determination concerning the loan. A copy of any appraisal made under this paragraph shall be provided to the borrower.

(k) PARTIAL LIQUIDATIONS.—If partial liquidations are performed (with the prior consent of the Secretary) as part of loan servicing by a guaranteed lender under this title, the Secretary shall not require full liquidation of a delinquent loan in order for the lender to be eligible to receive payment on losses.

(l) DISPOSITION OF NORMAL INCOME SECURITY.—For purposes of subsection (b)(2) of this section, if a borrower—

(1) disposed of normal income security prior to October 14, 1988, without the consent of the Secretary; and

(2) demonstrates that—

(A) the proceeds were utilized to pay essential household and farm operating expenses; and

(B) the borrower would have been entitled to a release of income proceeds by the Secretary if the regulations in effect on the date of enactment of this subsection had been in effect at the time of the disposition,

the Secretary shall not consider the borrower to have acted without good faith to the extent of the disposition.

(m) ONLY 1 WRITE-DOWN OR NET RECOVERY BUY-OUT PER BORROWER FOR A LOAN MADE AFTER JANUARY 6, 1988.—

(1) IN GENERAL.—The Secretary may provide for any one borrower not more than 1 write-down or net recovery buy-out under this section with respect to all loans made to the borrower after January 6, 1988.

(2) Special rule.—For purposes of paragraph (1), the Secretary shall treat any loan made on or before January 6, 1988, with respect to which a restructuring, write-down, or net recov-

ery buy-out is provided under this section after such date, as a loan made after such date.

(n) LIQUIDATION OF ASSETS.—The Secretary may not use the authority provided by this section to reduce or terminate any portion of the debt of the borrower that the borrower could pay through the liquidation of assets (or through the payment of the loan value of the assets, if the loan value is greater than the liquidation value) described in subsection (c)(2)(A)(ii).

(o) LIFETIME LIMITATION ON DEBT FORGIVENESS PER BORROWER.—The Secretary may provide not more than \$300,000 in principal and interest forgiveness under this section per borrower.
