

Bennet #22

Strike all of Bennet 22 (SLC ELT18547) and replace with the following:

On page 987, in Sec. 12506(b) insert the following after line 17.

(4) Domestic food loss among fresh food products; including:

(A) Cost and volume of that product that is wasted:

a. Of domestic fresh food products ; and

b. Of imported fresh food products that pass import inspection but do not make it to market in the United States;

(B) The reason for that waste; and

(C) The potential economic value of the product described in subparagraph

(A) if that product was taken to market; and

(5) That programs contemplated, undertaken or funded by the Department do not disrupt existing food waste recovery and disposal by commercial, marketing or business relationships.
